Heights of Winter 2012

"Cotswold"

12 and 6 hour Rogaines
Saturday 30th June, North Canterbury

Date: Saturday 30th June 2012

Time: 12 hour - 9 am to 9 pm, registration and course planning from 7 am.
6 hour - 11am to 5pm, registration and course planning from 9.30am

Location: North Canterbury, near Omihi, - a 70km, 70 minute drive north of Christchurch.

Accommodation: No camping available at event site. There is a variety of camping, motels and baches available in Amberley, Greta Valley, and Motunua Beach. Further afield is Waikuku Beach, Woodend, or Pinacres Holiday Park and Motels (Kaiapoi). People approaching from the north could consider Cheviot and Gore Bay.

Terrain: Ranging from gentle hills to steep and rugged hill-country, the elevation range is 500m. Vegetation is a mix of clean open grassland, scattered scrub, open native forest, and some plantations.

Map: The map will be derived from Topo50, the NZ standard topographic map with 20m contours. It will pre-marked with checkpoint sites and out of bounds areas. Map size and scale will be notified closer to the event.

Instruction: Available to those needing it on the day.

Cancellation: Only if conditions are extreme on the day. Organisers reserve the right to shorten the event for safety reasons before the start. (No entry fee refund if event cancelled)

Responsibility: Neither the organisers nor landowners accept liability for any accident or injury to participants during the event. The 'team contact' on the entry form must ensure all team members are aware that they participate at their own risk.

Land Access: We acknowledge the generosity of the ten North Canterbury farming families hosting us on private land. We ask participants to return their goodwill.

Categories: Men, Women & Mixed in Junior, Open, Vet (40+) & SuperVet (55+) grades

WHAT IS ROGAINING?

A rogaine is a cross-country navigation event on foot, using a map and compass. This event will take you over a mix of challenging farmed and forested hill country with some scattered scrub and native bush.

Each team (comprising 2 to 5 people) is given a standard topographical map with about 60 checkpoints of differing points value marked on it. A clue is provided for each checkpoint, e.g. “A saddle, N side”. Teams collect points by visiting checkpoints over the duration of the rogaine. The team with most points wins. Late finishers lose points.

As a team you choose your own route and distance within the mapped area. You decide which checkpoints to visit and in which order. You can be as competitive or as social as you choose. A team can go out ‘on course’ for the full time, or just a few hours. Water may be provided at one or more locations on the course. If they wish, teams can take a break at the hash house where hot food and drink is available from late afternoon. There’s an evening meal after the event too.

Plan your course well. Rogaining is as much about careful route choice and navigation as it is about physical endurance. For fit, first-time people, plan on about 2 to 2.5 kms per hour average over the whole event time. If you find you travel faster or slower adjust your course as you go.
