Heights of Winter "*Kinda Kaiwara*"

12 and 6 hour Rogaine

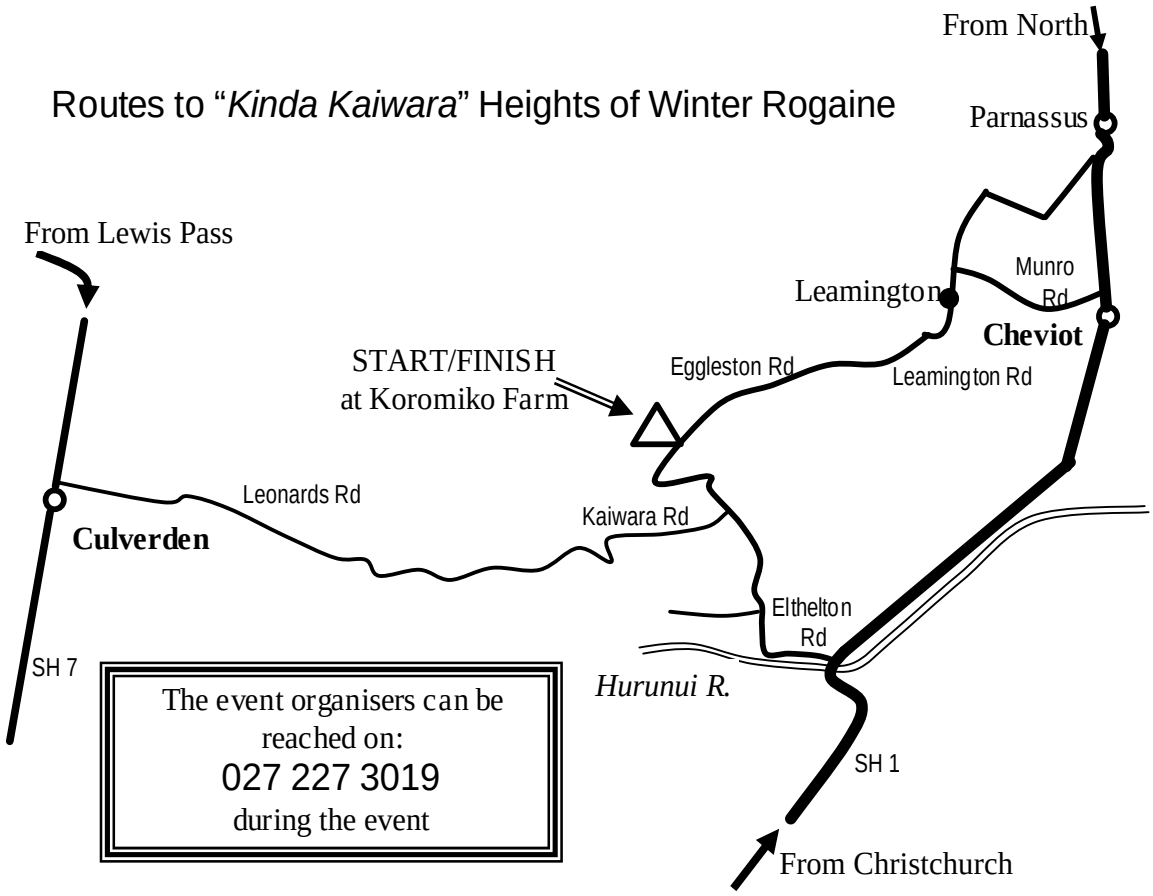
Saturday 26 June 2004

Dear Team,

Thank you for your entry. **Your team number is:**
Please remember the number.
As team contact person, please ensure all team members are familiar with all the information below and attached.
It is also accessible at: www.rogaine.org.nz.
We hope you enjoy the event.

Getting to the event (see the route map)

REGISTRATION and START/FINISH is at Koromiko Farm, west of Cheviot, North Canterbury, a 90 minute drive north of Christchurch. Approaching from Christchurch, turn sharp left immediately north of the bridge over the Hurunui River on SH 1, onto Elthelton Rd, signposted to Ethelton. After 3.5 km bear right at the Y intersection onto Kaiwara Rd, signposted to Cheviot. Drive northward and after a further 8 km turn right onto Eggleston Rd, signposted to Cheviot. A further 4.5 km on turn acute left into Fagans Road, from where you will see the car park and shearing shed of Koromiko Farm. Those approaching from the north may turn west just after Parnassus or at Cheviot and head into Leamington Valley. Note that this approach will not be signposted for the event. It is also possible to drive to the event from Culverden along Kaiwara Rd. Note however that this route may only be negotiable by 4WD vehicles in winter. Please park considerately near the START area.



Twelve hour event - Registration and start

Registration starts at **7.15 am** when maps are issued. Ensure your team is together and that you have your **completed indemnity form** with you. Briefing is at **8.45 am**. Waterproof punch score cards labeled by team number (one per team) will be issued at **8.55 am** at the START. The event will start at **9.00 am**.

The event will close at **9 pm sharp** at the START/FINISH. Aim to **finish by 9 pm; you will be penalised 10 points per minute late.** After handing in your check point card and having your finish time recorded, you may be asked to total your own team score. Place-getters scores will be checked before prize-giving as soon as possible after the event finishes. Confirmed scores on www.rogaine.org.nz as soon as possible after the event.

Event chronology – 12 hour

7.15 am	REGISTRATION OPENS (Koromiko Farm)
	Route planning and preparation
8.45	Briefing
8.55	Control cards distributed
9 am	START
9 pm	FINISH

We will provide a meal at the woolshed at the START/FINISH from 9 pm.

Six hour event - Registration and start

Registration starts at **9.30 am** when maps are issued. Ensure your team is together and that you have your completed indemnity form with you. **Additional checkpoints for 6-hour entrants need to be copied onto the maps** supplied. Briefing is at **10.45 am**. Waterproof punch score cards (one per team) will be issued at **10.55 am** at the START. Your event will start at **11.00 am**.

Your event finishes at **5 pm sharp** at the START/FINISH. Aim to **finish by 5 pm; you will be penalised 10 points per minute late.** After handing in your check point card and having your finish time recorded, you may be asked to total your own team score. Place-getters scores will be checked before prize-giving as soon as possible after the event finishes. Confirmed scores on www.rogaine.org.nz as soon as possible after the event.

Event chronology – 6 hour

9.30 am	REGISTRATION OPENS (Koromiko Farm)
	Route planning and preparation
10.45	Briefing
10.55	Control cards distributed
11 am	START
5 pm	FINISH

We will provide a light hot snack at the woolshed at the START/FINISH from 5 pm.

What to bring

Clothing and safety equipment is listed under 'Safety Sheet'

You will also need

- a range of marker pens, pencils and highlighters, pins and string, and ruler, for planning and measuring your route before you start
- a pencil for filling in the intentions sheet at each check point you visit
- clear contact to protect your A4-sized map and check point description sheet (which can be backed onto your map), if desired. Clear resealable A4 bags will be provided.
- eating utensils for the meal after the event (cutlery, plate(s), mug)

Navigation devices such as GPS or altimeter are **not allowed**.

Food and drink
Carry enough for a long day in the field. You may return to the start-finish at any time for a rest, or a drink. THREE water refill drops are marked on the map as "**W**" (please conserve this water when filling bottles). The water provided at the drops will be chlorinated. We suggest you do not draw water from streams.

Your back country travel skills.
If your team lacks confidence in finding its way in moderate, untracked tramping terrain, we suggest you confine your route to the more easily accessible and lower-altitude check points.

Hazard: Roads. Roads are open at all times. It is your responsibility to obey the road code rules at all times, to keep to the side of the road and to be alert to traffic at all times. It is recommended that clothing with high visibility is worn after dark.

Cancellation
This event will only be cancelled if conditions are extreme, to be notified at the start. The organisers reserve the right to shorten the event for safety or other reasons.

Registration and event procedure
At the registration desk your team must present:
- the completed Indemnity and Emergency Contact Form (ensure you have entered your team number)

You will be issued with:
- one event map (1:50,000 scale topo. map) and check point description sheet per team member,
- a single black/white version of the map to be used as a flight plan. Plot your team number and your intended route on this map, including direction of travel, and return to registration before you start. (You may subsequently modify your route according to conditions as you progress).

We recommend you spend at least one hour (12 hour event) or 45 minutes (6 hour event) planning your route, making the day more enjoyable and rewarding. You should plan your route carefully, aiming to challenge your map reading and navigation skills but to stay within the safe limits set by the terrain and weather, your experience and fitness.

Your team may visit any number of check points and in any order. Your aim is to maximise your 'score'. There are 66 check points, each with a unique number, for the 12-hour event. The score value is the first digit followed by a zero. Thus check point number 23 has a score of 20 points and 91 a score of 90 points. The three checkpoints numbered 100, 101, and 102 are worth 100 points.

All members of your team must attend the event briefing. After the briefing and immediately before the start your team will be issued with your waterproof punch card. All teams start together. Concentrate on your own team plan, do not try to follow other teams.

Each check point comprises an orange/white flag on a fibreglass pole (or tied to bush or post), control number tag, coded punch, intentions sheet, and pencil. As they have been placed in the field up to 8 days before the event, we cannot be certain that all are still intact. If a check point is missing, you must be able to describe its presumed original location to the score keepers to be credited with the points.

When you visit a check point, clip the space for the **correct number** on your team's punch card, then, on the intentions sheet, fill in your time of arrival and the number of the next check point you plan to visit. All team members are to travel to within 20 m of the check point.

A full set of rules governing rogaining in New Zealand is available on www.rogaine.org.nz.

Safety Sheet - Heights of Winter
12 and 6 hour Rogaine - Saturday 26 June 2004

Compulsory clothes and equipment per team member:

thermal top & trousers
thermal hat and gloves
shower proof/windproof coat
survival sheet or pack liner
whistle,
pencil or fine spirit marker, **per team**
food, water bottle
first aid kit, **per team**
at least one compass, **per team**
suitable, robust, well-fitting footwear with well-treaded soles.

Your gear is your own responsibility. There will be no compulsory gear check but the organisers reserve the right to do checks on a random or selective basis. You must be suitably equipped to start.

We **strongly recommend** you also carry:

fully rainproof parka, second layer thermal top, long gaiters (there is much matagouri and other scrub to negotiate), showerproof over trousers, a high-viz, reflective garment to warn traffic after dusk, a compass each, head torch, watch. You may wish to use walking poles (much travel is off-track on steep slopes).

Cell phone coverage is patchy to moderately good, especially on the ridges**.** During the event, **the organisers can be reached on 027 227 3019.** (An alternative is 025 228 2080)

Safety is top priority during this event. As well as wanting to ensure you have a safe and enjoyable event, organisers and participants (you) have responsibilities for safety.

Your responsibilities include:

- being aware of and meeting all safety requirements specified by event organisers in writing or verbal briefings
- carrying all compulsory protective clothing and other safety equipment (see above).
- advising your team member(s) of any medical conditions you have, your general level of fitness and other factors that may affect you adversely during the event.
- staying together as a team at all times, and providing mutual support, and helping any other team you find in difficulties.
- depositing an intended 'flight plan' map showing your intended course at registration before you start.
- recording your team number, time of arrival, and intended next check point on the intentions sheet at each check point.
- advising organisers, and depositing your card, if you withdraw from the event, or when you finish. This is our safety check that you are no longer on the course and IS COMPULSORY.
- being highly conscious of time and avoiding a late return – being late results in a hefty points penalty as well as raising safety concerns.
- being prepared to modify your plans to be more conservative if safety conditions dictate this.
- monitoring team and individual progress and fitness and modifying plans as required
- looking out for hazards, such as:

- **Hypothermia.** Wind, water and cold temperatures can lead to exposure or hypothermia. Early symptoms are subtle (clumsiness, lethargy, slurred speech). Be prepared to seek shelter or to call it a day if conditions are severe, or if any of your team is becoming

exhausted. In severe weather, keep off high, exposed ridges.

- **Dehydration.** Drink lots of water – we suggest you carry at least 2 litres per person, (3 water drops are marked on the map as "**W**"), be alert to heat exhaustion, seek shade, wear sunscreen.
- **Streams**. Do not cross streams if they are heavily swollen.
- **Cliffs, slippery rocks, loose rocks, incised creeks, gullies, slippery grass, hidden obstacles such as logs, loose fencing wire**, etc. are present throughout the event area. Do not try to move across any area marked with crosses "**XX**" on the map.
- **Rock fall.** Be particularly careful about rocks falling from above, and avoid releasing them above team members or other teams. Shout out if you see falling rocks.
- **Fog/low cloud**. If in fog, orientate the map and yourself with a compass. If in doubt, don't climb into cloud, and descend out of it as soon as possible.
- **Road traffic:** There will be traffic on roads. No roads are closed during the event. The road code applies at all times; keep to the side of the road. It is recommended that clothing with high visibility is worn after dark.
- **Hunters**: We cannot guarantee that hunters will not be present in the area. We recommend teams carry a high-viz garment, and you keep highly visible, and heard, if you are concerned.

In the event of serious injury or exhaustion, make the injured person warm and comfortable; arrange, if possible, to leave someone with the person; note your exact location on the map; seek help via nearest road. Emergency signal: repeated (6 or more) short blasts on whistle at about 1 second intervals, repeated each 1 to 5 minutes. Repeat if you hear one long blast. If you become totally disorientated, travel down slope to sheltered ground.

To contact the event organisers: **027 227 3019** (alternative 025 228 2080)

IT IS MID WINTER – BE PREPARED

Although we have a search and rescue capacity on standby, we can give no assurance that teams unable to make their own way to the finish, or a road, can be assisted until after daybreak on Sunday.

Environmental and farm care

Rogaining is an environmentally and socially friendly activity and we expect you to reinforce this ethic.

- Respect farm stock, fences and other facilities.
- **Leave gates as found**. They will usually be shut.
- Cross fences, where you must, at a strainer post, or climb through. Assume electric fences are on - insulate yourself with clothing, pack, or plastic map bag, etc.
- Report any damage, or distress to stock, to the organisers
- Protect plants and animals
- Remove rubbish – More importantly, don't create it in the first place
- Bury Toilet waste - Better still, don't create it in the field - use the Portaloos provided at the START/FINISH where possible.
- Keep streams clean

This event is wholly on private land and we gratefully thank 7 farming families and businesses who have welcomed us for this event. Please ensure the trust they have placed in us is justified.

Thank you, GGH & PJB

BASIC INFORMATION

Rules, in brief

- Use compass and rogaine event map only. GPS and/or altimeter units are not allowed.
- Travel only on foot.
- Team members to stay within verbal contact of each other at all times. **All members** must approach within 20 metres of each checkpoint. (Your fellow competitors will be watching)
- If a check point is missing, be able to describe the local setting. A completed intention sheet will help verify your visit.
- When visiting the START/FINISH, all team members must report to administration desk and surrender team's score card. It will be re-issued when you leave.
- If a competitor wishes to withdraw, entire team must return to START/FINISH and notify organisers. (Team retains current points score.) Teams of one are not permitted.
- Event finishes at 9 pm (12 hour) or 5 pm (6 hour). (or as specified at start).
- When your team finishes, **all** members **must** report at desk and hand in card.

Procedure at each control

- Punch the **correctly numbered** square on your check point card (if card is lost, punch another sheet, such as your map, but all punches must be on one piece of paper)
- Fill in the intentions sheet with team no., time and intended next control

Points value, penalty points, protests

- Check points 100, 101, 102 are worth 100 points. Otherwise, check points 20 to 29 are worth 20 points, 30 to 39 are worth 30 points, etc.
- 10 points penalty for each minute late. 30 minutes late - all points lost

Safety

- Carry and wear suitable clothing and equipment
- Team to remain together at all times
- Be alert to exhaustion, dehydration, sun, and/or hypothermia
- Help other teams having problems
- If your team withdraws from the event you **must report to the organisers at the START/FINISH**. Otherwise you will be reported overdue and a search will be mounted.
- Take **extreme care on roads, which remain open to traffic.**

Emergencies

- Emergency signal: repeated, short whistle blasts
- Repeat if you hear one long blast

Serious injury

- Make injured person warm and comfortable
- Leave someone with injured person if more than two in team.
- Note your exact location on map
- Seek help via nearest safe route or road and return to base

Farm/land courtesy

- Keep clear of buildings, machinery
- Out of bounds means OUT OF BOUNDS
- No **rubbish**, no **dogs**, no **fires**, no **firearms,**
- Report any damage, etc. to event organisers

A full set of rules governing rogaining in New Zealand is available on www.rogaine.org.nz

TEAM NUMBER: _____

Heights of Winter - Saturday 26 June 2004

Indemnity and Emergency Contact

Teams will not be registered until the following have been completed and presented at the administration desk.

Indemnity

We, the undersigned, hereby acknowledge that the New Zealand Rogaining Association, the Event Organisers, and the owners of the land used for this event, accept no liability for any loss, damage or injury to ourselves (including vehicles at the event venue) resulting from our participation in this event. We enter this event at our own risk and acknowledge that there may be risks associated with the sport of Rogaining. We understand the safety requirements set out by the organisers.

Name	Signature	Date	Date of birth

Emergency Contact

Name and Car Registration Number	**Emergency Contact (not a competitor) Name, Address, Phone No.**	**Allergies or Medical Condition**

NOTE:

1. A parent or guardian must sign the indemnity form on behalf of a competitor under the age of 18.
2. Supply the name, address and telephone number of a person to contact in the event of an emergency. This person must not be a competitor in the event.
3. Supply details of any medical conditions or allergies that might be of assistance to First Aid staff in the event of an accident or emergency.
