INVITATION
to the 4th European Rogaining Championships
July, 28-29th 2007

Rogaining is the sport of long distance cross-country navigation. The championship rogaine is of 24 hours duration but there are several shorter variants. Teamwork, endurance, competition and an appreciation of the natural environment are features of the sport. Rogaining involves both route planning and navigation between checkpoints using a variety of map types.
Rogaines are generally day and night events in which teams of two to five members travel entirely on foot, navigating by map and compass. Teams select their own order of visiting checkpoints in terrain that varies from open countryside to hilly forest.

PLACE AND TIME: 4th European Rogaining Championships 2007 organized by Latvian Orienteering Federation (LOF) will be held in Smiltene, Latvia from July, 28th to July, 29th 2007.
