MOC Rogaine - Saturday 26 May 2007, Marlborough

FINAL INSTRUCTIONS TO COMPETITORS.

Please ensure all your team members read this document. It contains important information.

Thank you for your entry in the MOC Rogaine. This information is sent to the team leader only so please copy it to all other members of your team. Attached is an Emergency contact form to be completed by all members of your team and to be handed in at registration.

A list of competitors has been sent as a separate document.

Acknowledgements
We are extremely grateful to all the landowners who have so willingly and encouragingly allowed us to use their land. Without their cooperation we would not have an event.

Homebrook G & A Cooper ***This is the location of the Start/Finish and Registration.***
Beneagle R & R Kerr
Lakeview P & J Kemp
Riverina D & P Western
Back Block M & H Smith

Thanks also to Adventure Sports, 103 Market Street, Blenheim, who have sponsored our maps.

Organisers' Contact Details (The organisers may be contacted by telephone or email).

Mondo Kopua Ph (03) 579 5577 or 021 772 792

For **emergency only**, during the event, contact the event centre on 021 772 792

Note: Cell phone coverage is unavailable in some areas. Head to the tops for coverage.

Directions to the Site
The event headquarters is at the Homebrook woolshed, about 7 km from Wairau Hospital, Blenheim.

Locate the hospital on the corners of Hospital St and Maxwell Rd. Follow Maxwell road south which then becomes Taylor Pass Rd. Look for Taylor Dam on your right and then Maxwell Pass Rd on your left – this is the road to take. The woolshed is approximately 1.2kms from the corner on the right hand side. It will be obvious that this is the event centre.

Orienteering direction signs will be in place at some intersections from early Saturday morning.

Registration and Start Procedure
Your team (one member is adequate) should present a completed and signed Emergency Contact Form at the registration desk. If no money is owing, the team will be issued with checkpoint descriptions, maps, and any last- minute course notes. (Any money owing must be paid before maps will be issued. Correct change would be appreciated). Any changes in team composition must be advised.

You must attend the compulsory briefing for all competitors that will be held at 8:45 am (10.45 am for 3 hr option). If you have never been in a Rogaine before, novice instruction will be available. Please ask at registration.

The Team Contact only to collect all of the team maps and control descriptions. **Note:** There is x1 map and x1 control description for every competitor. There will also be x1 black & white map per team for you to provide a 'flight plan' of the route that you are taking. You do not have to stick to this plan but it allows us, in the event of an emergency, to locate you more quickly.

Event Timetable

6 hour event

7.00 - 7.45am	Registration opens. Novice instruction available if required.
7.45	Maps available for planning for 6 hour teams.
8.45 am	Compulsory briefing and issuing of score card (only x1 per team). You will need a **pencil** to record the control codes. **Note:** bring a spare pencil/pen in case you lose your original.
9.00 am	6hr mass start
3:00 pm	Finish of 6 hr event – late penalties after this time (see below) Refreshments will be available. Bring some gold coinsfor BBQ food and cold drinks

3 hour event

9.15 am	Registration opens. Novice instruction available if required.
9.45am	Maps available for planning.
10.45 am	Compulsory briefing and issuing of score card (only x1 per team). You will need a **pencil** to record the control codes. **Note:** bring a spare pencil/pen in case you lose your original.
11.00 am	3 hr mass start
2.00 pm	Finish of 3 hr event – late penalties after this time (see below) Refreshments will be available from shortly after 2.00 pm. Bring some gold coins for BBQ food and cold drinks

Map and Course

The map is A3 in size with a scale of 1:25,000, it is pre-marked with the checkpoint positions, and has out-of-bounds areas overprinted. It is vertically oriented to grid north, and is based on the standard 1:50,000 topographical series, with 20m contours. Grid lines 1 km apart show Grid North and East.

Control circles are 6mm in diameter which represents 150m on the ground therefore the control is 75m to the centre of the circle.

You will need to bring a plastic bag or contact covering as the map is not waterproof. There is NO LEGEND on the map. You may wish to take your own map legend photocopy from a topographical map that you may already have.

Drinking Water - there are **no water drops on the course.** Some of the landowners have given us permission to access water from taps. These are marked on the map and noted on the control descriptions. Please turn taps off completely.

Remember that in Rogaining there is a distinction between "the" and "a". For example, "The" watercourse means you can see it marked as a watercourse on the map, whereas "a" watercourse means that one exists, but it isn't marked on the map.

Safety

Care should be taken when traversing some areas of the course due to underrunners, steep gullys and rocks that could easily dislodge. Be aware of your own safety as well as your team mates and fellow competitors.

Fences and tracks

As usual, tracks and fences exist which are not marked on the map, have shifted some 20 metres and others are marked but no longer exist. In many cases they serve as useful navigational aids, but you should not assume their accuracy without other supporting information, such as contours.

Assume that all electric fences are on. Use a plastic map bag to hold the wires if necessary.

Out of Bounds areas
Some areas have been marked and these are not to be entered – any team so doing will be disqualified.

Weather and Equipment
Although reasonably sheltered in parts, be prepared for cool temperatures, strong NW winds or cold S winds. Cloud and mist can cover the higher ground very rapidly. A weather forecast will be available at the registration area.

A suggested <u>minimum</u> equipment and clothing list is:

Polypropylene or woollen top and trousers.
A waterproof parka and windproof trousers.
Gaiters or leggings.
Suitable shoes or boots with a good grip.
A daypack
A warm hat and mitts.
An extra jersey or fleece top.
A compass and pencil.
A whistle each.
A basic first-aid kit for the team.
A large (A3) plastic bag or some clear plastic stick-on covering to protect your map.

Adequate food and water for the duration of the event
Water bottle/camelbak (2 litres minimum) and maybe some energy replacement drink.

Other Gear
Please bring a plate and cup, plus spoon, for eating at the start-finish area. Bring toilet paper. There will be NO rubbish facilities so bring your own rubbish bag. There will be x2 Port-a-loos.

Bring a change of warm clothing for after the event.

Emergency
Blow your whistle (six blasts at one second intervals, repeated every few minutes) to assist any other team to find you. If you have a cell phone, call 021 772 792. Any team hearing the emergency call must respond and render assistance to the team that is in distress.

Scoring during the Event
The checkpoint value is the "tens" value of its number, so for example 37 is worth 30 points, 53 is worth 50 points. Each checkpoint is marked on the map as a 6mm diameter circle, with the checkpoint number beside it. Once at the checkpoint you must locate the plastic tag with its code. There are conventional orange and white orienteering flags at every control with x1 bright fluoro pink tape and a green tag with a 3 letter code which you must record on your score card. **<u>Remember to bring at least x2 pencils with you.</u>**

The green tag will be tied to the orange and white control flags and the tape tied to whatever the control flag is attached to.

There is a late penalty of 10 points per minute, or part thereof, after the official finish times. Disqualification will occur 30 minutes after the finish times, which means no score at all.

All team members must visit each checkpoint claimed, to within 20 metres and in sight of it. Do not stop at a checkpoint for any longer than you need to. If you want to stop for a rest or a discussion, move to at least 50 metres away from the checkpoint.

Finish Procedure
At the finish hand your score card to the administration staff. **Your entire team must be present at the finish together for a finish time to be recorded.** The penalty for finishing late is 10 points per minute (see above). Your time will be recorded and you will be given your card back to total your score. Control answers will be on display at the end. Provisional results will be announced. Score cards will be checked during the week and confirmed results will be emailed to the Team Contact and posted on www.rogaine.org.nz and www.mapsport.co.nz

Rules of Competition - The following is an outline of some of the important rules:

- The only navigational aids that may be carried on the course are magnetic compasses, watches and copies of the competition map. The possession of other navigational aids, including pedometers, altimeters (including those within sports watches) and GPS receivers on the course is prohibited. The possession of non-competition maps is prohibited at the event venue.
- Members of a team shall remain within unaided verbal contact of one another at all times whilst on the course.
- All team members shall simultaneously approach to within 20 metres, and within sight, of each checkpoint for which points are claimed.
- Cell phones are for emergency use only.

Remember
- ***Respect all the landowner's properties and privacy***
- ***NO Dogs or firearms are permitted at this event***
- ***Shut all gates that are closed***
- ***Climb fences at posts***
- ***Don't spook any stock. Allow them to move away from you and not cause them to crowd up against a fence or into a corner***
- ***Do NOT discard ANY Litter – please put this back in to your pack or pocket. If you do see any litter please pick it up.***
- ***Play Fair and obey the rules and 'spirit' of the event particularly the following:***

  A team shall demonstrate compliance with these requirements to any official or other team on request. Failure to observe any such request may result in disqualification.
- ***HAVE FUN***

Emergency Contact Information

Your Name and Car Registration Number	Emergency Contact (not a competitor) Name, Address, Phone No.	Allergies or Medical Condition

NOTE:

1. A parent or guardian must sign the indemnity form on behalf of a competitor under the age of 18
2. Supply the name, address and telephone number of a person to contact in the event of an emergency. This person must not be a competitor in the event.
3. Supply details of any medical conditions or allergies that might be of assistance to First Aid staff in the event of an accident or emergency.
