Welcome to the New Zealand 24 Hour Rogaine Champs 2007

We would like to invite you to enter this 24-hour Rogaine, which will be held on the 3rd & 4th March 2007. We have an area that will provide a challenge for all teams, from the most competitive to the most social. You will not be disappointed!

Question: *Who are we?*

Answer: *We are Alan Holdaway (planner) & Susan King, Barry Hope & Mondo Kopua (vetters). The event is being held under the NZRA umbrella. One of the landowners is providing the food. Any surplus funds will be donated to the local orienteering club (MOC) for new or updated maps.*

What is a Rogaine

A rogaine is an endurance orienteering event and is usually, though not always, held over either 12 or 24 hours. It involves competitors travelling on foot in teams of a least two and at the most five people, visiting designated sites shown on a 1:50,000 topographical map, for which they accumulate points. The skill is in choosing a route that maximises points gained for effort expended, while returning to the finish on time. Rogaines appeal to trampers, orienteers and endurance athletes.

Question: *Are Rogaines only for serious competitors?*

Answer: *NO! Rogaines are for everyone who enjoys the outdoors. All competitors start and finish at the same time. You are free to do as much or as little as you like. Many teams will include a sleep back at base in the 24 hours.*

$70 per team member.

The Venue

This will remain secret until the week before the event. I can tell you it's in Marlborough and there will be room to park cars and put up tents and that Blenheim, Seddon or Ward would be great places to stay before or after if you wish. Because of the limited area we would ask that only one car per team is brought to the site and we will offer parking about 10km away for extra cars (in a farmer's paddock). Camping will be OK on Sunday night but we would prefer that teams arrived on Saturday morning.

What happens now?

Get your entries in early, which will help our planning. Help us make this an event to remember!

To encourage you to do this there will be a bottle of Kim Crawford Marlborough Sauvignon Blanc for the first entry received and also we will draw one entry from all entries received before the 15th January for another bottle.

Two weeks before the event we will e-mail to your team contact all the information and instructions you will need. Please tell us if you would like this posted. It will also be on the NZRA web-site.

We would be pleased to hear of any other people who may be interested in competing so we can send them an entry form.

Encourage your friends to make up a team and enter.
