NZSS Rogaine Championships Overview 2002
Mangamingi, Taranaki

Welcome! This event is the official 2022 New Zealand Secondary School Rogaine Championships (3 or 6 hour foot rogaine - team event). The event is open to all secondary school students.

The event will go ahead should Covid restrict gathering numbers to 100 as there are separate 3 hour and 6 hour start and finish times.

The event is also open to Year 7 and 8 students *(who must be accompanied by an adult),* and the public with (3 or 5 hour foot rogaine – team categories). Should any gathering restrictions be in place, the secondary school categories take first priority.

DATE

- Saturday 16 July, 2022

LOCATION

The event will take place at Mangamingi, Taranaki. It is inland from Eltham, approximately an hour out of New Plymouth, Latitude: -39°26'20.04" / Longitude: 174°27'18.36".

1:00pm-3:00pm.	Food for 3, 5 & 6 hour

Some food will be supplied at the finish and as part of the entry fees!

3:00pm ish	Prizegiving

TERRAIN

The terrain ranges from river flats to steep hills. The contour range is only about 300 meters but competitors will be up and down hill for the duration of the event. There is a mixture of flat land to hilly farmland. Over most of the map, the travel speed is good or would be if it wasn't quite as steep. Having said that there are small areas of native forest and swamp (well mapped) and areas of scrub and manuka which are probably not as well mapped. Farm tracks are extensive and make good travelling. There are some tiny patches of ongaonga (stinging nettle) and bush lawyer.

MAP

The map scale will be in the range of 1:20K or 1:30K. It is based on a standard 1:50K topo map that has been updated. Tracks and fences have been added, particularly where they are relevant, but not all will have been captured. A map legend will be published before the event.

RULES, & HEALTH & SAFETY

Be prepared for rain, hail or shine. The event will go ahead unless weather warnings are in place. Please dress and prepare for a great day regardless of the weather.

Gear will be checked at registration. Any individual or team without compulsory gear will not be permitted to start.

Spot trackers will be used by the 6 Hour teams to ensure safety. LandSAR will be on site, along with a trained first aider. Cell phone coverage may be available on high points, nowhere else.

All participants are required to follow all instructions from race officials.

Twenty points will be deducted for each minute a team is late. If a team is over twenty minutes late, the team will be disqualified.

SPORTident

The timing system is SPORTident. One SPORTident will be supplied to each team and is included in the entry fee. Any lost SPORTidents will be charged to teams at $120.

COMPULSORY GEAR

Individuals must carry the following gear at ALL times. Gear for Schools Teams will be checked at Registration. Public Teams are responsible for their own gear and will not be checked. The expectation is that all competitors will comply fully with all these requirements.

Personal Gear (to be carried by every team member)

- Fleece/ Merino Top
- Thermal Top
- Thermal Bottoms
- Jacket (water/wind proof)
- Beanie and gloves
- Whistle
- Torch / headlight with sufficient batteries
- Food and Drink for the duration
- Survival Bag (silver foil type)
- Backpack to carry it all
- Highly recommended -a 'dry-bag' or two small plastic bags ('GLAD' style drawstring rubbish bags would do) to keep your gear dry in the rain.

Team Gear (can be carried by anyone in the team)

- Cell Phone (in waterproof bag - emergency use only)
- Multi-purpose knife (eg. Swiss Army)
- First Aid Kit (minimum= plasters, small and large bandages, tape, paracetamol, crepe rolls, anti-histamine pills)
- 2 x Compass

PARKING & ACCESS

There is parking on grassed areas surrounding the Mangamingi Hall at registration and then on a paddock at the farm where the start and event centre are located. Once parked at the farm no vehicles will be permitted to drive back along Aorere Road until after the last start at 11:00am, as Aorere Road is too narrow for two way traffic.

TOILETS

There are toilets at the Mangamingi Hall and portaloos will be located on the farm at the start / event centre.

COVID

The event will be able to operate in groups of 100 (3 hour, 5 hour and 6 hour) if there are gathering number restrictions in place.
