"Never Look Back"

13hr, 6 hr, and Family 3hr Rogaines

Saturday 14th March 2015, Otago

Registration and Start times:	13 hour - registration and map issue from 6.30am, start 8am 6 hour - registration and map issue from 11 am, start 12 noon Family 3 hour - registration and map issue from 1.00pm, start 2.00 pm
Location:	Based at the Lawson woolshed – end of Angies Road. From Palmerston travel via the "Pigroot" (SH85) for about 12 km and turn left (south) onto Stoneburn Road (Rogaine sign). Follow this road (initially sealed and then unsealed) to Stoneburn Stn. (Rogaine sign). Take the left fork here (signed) and about 2 km further on ignore side roads to left and right and continue on along Ainges rd. (Rogaine signs) Shortly after these intersections Ainges road is unfenced and drops steeply into the Waikouaiti valley (care, loose gravel). After crossing the river the road climbs back to the upper plateau and ends at Lawson family house and woolshed. For those coming from Dunedin, the apparently shorter route via the back-streets of Palmerston and Taieri Peak Road is NOT recommended.
Accommodation:	There may be a camping area available near the woolshed but no facilities other than toilets and water. The availability of camping will be notified on the NZRA website the weekend prior to the event and will depend on the fire risk – currently high!" Motel and campsite/cabin accommodation is available in Waikouaiti. There are motels in Palmerston.
Terrain:	Farmland, woodlots and shelter belts, tussock country, and scrub patches. The contour varies from rolling uplands with schist and volcanic (basalt) outcrops and several distinct volcanic cones, to steep gullies and deeply incised valleys.
Map:	A3, 1:40 000 with 20m contours derived from the standard NZ topographic map. It will be pre-marked with checkpoints and out of bounds areas.
Scoring:	Navlight will NOT be used. Checkpoints will be clearly marked and there will be clearly visible coded tags at the sites. Samples will be shown at registration. Record the code to verify your visit to the checkpoint. All members of a team MUST visit to within 20 metres of the checkpoint (together) and must be in close, verbal contact throughout the course. Teams that split up will be disqualified – no exceptions.
Instruction:	Available to those needing it on the day.
Cancellation:	Only if conditions are extreme on the day. Organisers reserve the right to shorten the event before the start. No entry fee refund if the event is cancelled as all the expenditure will have been committed
Responsibility:	Neither NZRA, the organisers nor the landowners accept liability for any accident or injury to participants during the event. The 'team contact' on the entry form must ensure all team members are aware that they participate at their own risk.
Land Access:	We acknowledge the generosity of the landowners who are hosting us on private land and we ask participants to return their goodwill.

Categories: Men, Women & Mixed in Junior, Open, and Vet (50+) grades in the 13hr and 6hr events. No separate grades or gender categories in the Family 3hr.

Event fee: (Includes a post-event meal for the 13hr event and light refreshments for the 6hr and 3hr events)

13 hr event:	Seniors - $75 per person Juniors (18yrs or less) and students - $35 per person
6 hr event:	Seniors - $45 per person Juniors (18yrs or less) - $20 per person

WHAT IS ROGAINING?

A rogaine is a cross-country navigation event on foot, using a map and compass. This event will take you over a mix of challenging farmed hill country with some scattered scrub, native bush and pine forest.

Each team (comprising 2 to 5 people) is given a standard topographical map with up to 60 checkpoints marked on it. A clue is provided for each checkpoint, e.g. "A saddle, N side". Teams collect points by visiting as many checkpoints as possible over the duration of the rogaine. Late finishers lose points. The team with most points wins.

As a team you choose your own route and distance within the mapped area. You decide which checkpoints to visit and in which order. You can be as competitive or as social as you choose. A team can go out 'on course' for the full time, or just a few hours. Water may be provided at one or more locations on the course. If they wish, teams can take a break at the hash house for rest, sustenance and recovery. Refreshments are provided after the event, too.

Plan your course well. Rogaining is as much about careful route choice and navigation as it is about physical endurance. For fit, first-time people, plan on about 2 to 2.5 kms per hour average over the whole event time. If you find you travel faster or slower adjust your course as you go.
