Rimutaka Rogaine Information

13 November 2004

Orienteering Hutt Valley continues its tradition of organising rogaines with this great event coming up soon (Our 34th rogaine!). This rogaine will be based mostly in native bush – in the Rimutaka Forest Park behind Wainuiomata.

This is an event suitable to all – whether you are an elite or a multisporter/tramper /runner/walker who has some map and compass skills this course will be a great leveller. A good portion of the course will involve off track travel - The bush will definitely slow things down somewhat and those prepared to walk in a straight line may score more points than a runner staying on the tracks.

More Information about Rogaining

RogaineNZ has an excellent website answering all your Rogaine questions , giving details on upcoming events, results on past events etc – Have a look at
http://www.mapsport.co.nz/rog/rogaine.html
There is also an excellent section on the site called "partners wanted" – where those looking for team mates for an event can register.

The Event

The event will be a 6 and 12 hour rogaine based on a 1:50,000 topographical map enlarged to 1:25,000. The event will be mostly in native bush with some road travel to join areas. International rogaine rules will apply, allowing teams of 2-5 - no GPS's allowed.
See for full rules at http://rogaine.asn.au/ara/docs/rules.html.

Although orienteering controls will not be used each control site will be marked and teams will be required to write down a code on their control card to verify their visit.

Event Details

Date:	Saturday 13th November
Venue:	Event Centre is the Catchpool picnic area at the entrance to the Rimutaka Forest Park. This is approx 20 minutes south of Wainuiomata on the Coast Road.

Gear Requirements

Be prepared for a cold wet day. Every team member must carry their own basic survival gear, as a minimum: Polyprop top and bottom, hat and gloves and parka, plus some sort of warm fleece/wool top.
Every team must have a compass, first aid kit, survival blanket and a torch.

Entry Fee

Your entry fee covers course set up , map printing, venue hire and an after match meal. In addition a small amount goes to cover rogaine infrastructure at both a national and local level. Support your local Orienteering Club – Orienteering Hutt Valley. To join, go to: http://www.mapsport.co.nz/hvoc/hvoc.html

Other Thoughts

- Water is available from most of the course from the streams – I have been drinking it for years with no illllllll effect!
- You will need to bring your own food for the event itself.
- A selection of pens and pencils is essential to mark in your route, record clues etc – remember that it may be wet.
- Along with one A3 map per team member, a zip lock plastic bag will also be supplied to keep the map dry.

Accommodation

Accommodation is available for any out of towners at the Hutt Park Holiday Camp. Cabins are $16 per person and campsites $10 per person.
Phone number is 04 568 5913. At the time of publication the campsites at Catchpool are closed due to storm damage – But they may be open by the event date. Phone them at 04 564 8551 for the latest update.
A number of local rogainers have also offered space on their floor/spare rooms – contact me if you are interested.

Transport

For a very modest cost (say $10-20 dependant on numbers) I can arrange for transport to/from venue and accommodation centre for anyone coming from the airport/ferry/railway station etc. Let me know your requirements and I am sure I can co-ordinate something.

Categories

Mens:	Open or Veteran (Over 40 on race day)
Womens:	Open or Veteran (Over 40 on race day)
Mixed:	Open
Junior:	18 or under on race day

How to get to the event centre

From Wellington head north along SH2 to Petone and then follow the signs to Wainuiomata. Head through Wainuiomata looking for the Coast Road which heads south down to the Catchpool. Orienteering signs will be out from Wainuiomata.
