CHRISTCHURCH GONDOLA NEW ZEALAND

NEW ZEALAND ROGAINING ASSOCIATION (INC)

Invitation: Hey there, those darkening evenings getting you down? Well how about an excuse to get outside, spend some time with friends, check out some new terrain and sort out those navigational skills? Then come and give this series a whirl! The event will be carefully planned to provide a challenging, enjoyable experience for people of all levels of fitness and navigational experience.

MADeventz: We set up MADeventz (Mental Adventure Discovery) to run the inaugural Mainland Great Outdoors Taylors Mistake Rogaine Series. The series was such a success that we decided there would have to be a repeat and here it is. A special feature of the series this year is the first event starting from the top of Mt Cavendish (gondola rides inclusive!)

The Concept: The series comprises three 3hour rogaines (with a 2hour option) based in the terrain bounded by Sumner, Lyttleton and Godley Head. The events will run on Thursday nights weekly starting at 6pm. Each week the event will focus on a different part of this brilliant area with an interesting diversity of landforms, from native bush to rolling hill tops, rocky coast line and pleasant beaches. Teams must have a minimum of 2 members.

Dates:

Event 1 (27th April): *"The top of the city"*. Park at the Christchurch Gondola, register, and enjoy the ride to the top of the hill! This event will have something for everyone, old bunkers, a bit of bush and for those that don't like them, hardly any hills. Loving that view!

Event 2 (4th May): *"The secret valleys of Sumner"*. From Sumner town travel an exciting mix of single track, rugged valleys and windswept beaches. Stunning! Navigation to suit all from a very beginner to someone who thinks they are good.

Event 3 (11th May): *"Bunkers, beaches and bedlam"*. Starting at **Taylors Mistake,** the final event of the series will allow people to check out the awesome coastal walkways and parks and have the desired encounter with the contours of Godley Head they have been waiting all year for!

Event Fee: $20 per race or $50 for the complete series (this fee is per person and includes an accurate pre-marked 1:25,000 map each per race).**Special price for students/unwaged**: $40 for all 3 races or $15 per race.

Sponsorship: We are glad to acknowledge the awesome support of the Mainland Great Outdoors Centre. They will be providing spot prizes again during the series. This year we also acknowledge the support of Christchurch Gondola

Further enquiries: We are happy to answer any questions you might have, about the events or about the navigation skills required. Please contact Jamie at MADeventz@gmail.com or ph 9817728. Further information regarding detailed whereabouts instructions and minimum gear requirements will be emailed out a couple of days before each event.

What is a Rogaine???

A Rogaine is a cross-country, endurance, navigation event on foot, using a map and a compass. Teams (of 2+ people) are given a 1:25,000 topographical map with about 30 checkpoints marked on it. The checkpoints have differing point values. Teams collect points by visiting as many check points as possible over the time period (in this case either 3 or 2 hours). The team with the most points wins (although they might not have the most fun ☺.

As a team you choose your own route and distance within the mapped area. You decide which checkpoints to visit and in which order. Hence Rogaining is as much about careful route choice and navigation as it is about physical endurance. You can be as competitive or as social as you choose (get out there and have a mental adventure!!)…
