TAYLORS MISTAKE ROGAINE SERIES 2005

Presented by MADeventz with logistical support from Peninsula and Plains Orienteers and the NZRA.

Invitation: **Hey there, getting the winter blues? Want an excuse to get outside, spend some time with friends, check out some new terrain and sort out those navigational skills? Then come and give this series a whirl! The event will be carefully planned to provide a challenging, enjoyable experience for people of all levels of fitness and navigational experience.**

MADeventz: **We have set up MAD(Mental Adventure Discovery)eventz to fundraise for our participation in the World Orienteering Champs in Japan this August, and thought we might as well start with a sport that we know and love, rogaining!**

The Concept: **The series comprises three 3hour rogaines (with a 2hour option) based in the terrain bounded by Sumner, Lyttleton and Godley Head. The events will run on Thursday nights fortnightly starting at 6pm. Each week the event will focus on a different part of this brilliant area with an interesting diversity of landforms, from native bush to rolling hill tops, rocky coast line and pleasant beaches. Teams must have a minimum of 2 members.**

Dates:

Event 1 (9th June): Starting at the car park on **Godley Head**, this event will have something for everyone, great walking tracks, interesting tunnels, coastline and WWII remnants. The speedier people will also have the option of heading over towards Sumner and Mt Evans.

Event 2 (23rd June): Starting at **Evans Pass**, people will be able to work their way further up from the previous race, on or off an extensive track network, and investigate the intriguing native bush areas on the back of Mt Pleasant and the inspect the crazy cliffs of Lyttelton Crag . Faster runners will head down into the streets of Lyttleton and perhaps gamble on a bigger loop back through Sumner

Event 3 (7th July): Starting at **Taylors Mistake,** the final event of the series will allow people to check out the awesome coastal walkways and parks and have a final encounter with the contours of Godley Head if they are keen!

Event Fee: $20 per race or $45 for the complete series (this fee is per person and includes an accurate pre-marked 1:25,000 map each per race).**Special price for students/unwaged**: $35 for all 3 races or $15 per race.

Sponsorship: We are glad to acknowledge the support of the Mainland Great Outdoors Centre. They will be providing spot prizes during the series.

Further enquiries: We are happy to answer any questions you might have, about the events or about the navigation skills required. Please contact MADeventz@gmail.com or ph 3893123 (ask for Jamie). Further information regarding detailed whereabouts instructions and minimum gear requirements will be emailed out a couple of days before each event.

In case of really bad weather: Races will not be held if it would be **really unfun**. They would be postponed to the following Thursday.

What is a Rogaine???

A Rogaine is a cross-country, endurance, navigation event on foot, using a map and a compass. Teams (of 2+ people) are given a 1:25,000 topographical map with about 30 checkpoints marked on it. The checkpoints have differing point values. Teams collect points by visiting as many check points as possible over the time period (in this case either 3 or 2 hours). The team with the most points wins (although they might not have the most fun ☺.

As a team you choose your own route and distance within the mapped area. You decide which checkpoints to visit and in which order. Hence Rogaining is as much about careful route choice and navigation as it is about physical endurance. You can be as competitive or as social as you choose (get out there and have a mental adventure!!).
