## Massey Child Care Centre

## Fundraising event for all the family, held on Saturday 27th February 2021

Rogaine is an event that involves navigation, strategy and teamwork and caters for a wide range of competitors, from family groups to elite athletes who choose their own challenge to match their abilities and experience.

This family event will be 1½ hours long exploring the known and unknown spots of the University and its surroundings. Teams of two or three are given maps of the area to complete with circles indicating the location of checkpoints. Teams visit as many checkpoints as they can within the 1½ hour period. Checkpoints are described by clues and have different values [points] ascribed to them. After 1½ hours everyone converges at the start/finish point to compare notes and maybe collect a spot prize. There will be a sausage sizzle and coffee available too.

**Start and Finish Point:** Massey Child Care Centre, Bourke Road, Massey University. Car parking available.

**Sign in time:** from 9.15 am. Start time 9.45 am after a short safety briefing.

**Registration fee:** $30.00 per team (if prepaid by 19th February).

$35.00 per team entry fee on the day (cash or internet banking only).

**Children under 5 no charge.**

Teams can consist of:

2 or 3 people (5+years) OR

2 adults and 2 children (5-13 years)

Check out our Facebook page: Massey Child Care Centre

Internet banking 02 0630 0432035 00 Put your name as a reference please.
