New Zealand Rogaining Association AGM,
Monday 21 February 2011, 6 Harrods Court, Christchurch

Present: Trevor Merrifield, Bill Kennedy, Grant Hunter, Tim Farrant, Phil Bones, Dave Laurie, Emma De Lacey, Douglas Woods,
Apologies: Pete Squires, Mark Copeland, Andy Buchanan, Jamie Stewart, Jac Woudberg

1. **Matters arising from Minutes AGM 2010**

Financial support for elite teams/individuals travelling to events overseas

- Agreed in concept.
- Guiding principles to include: (1) preference for elite participants and juniors, (2) decisions on a case by case basis (3) entry requirements for WRC may influence decisions (e.g., if Austr nationals become the selection criteria for Kiwis, this may be a priority events to support).
- Level of total funding available each year to be assessed when NZRA develops a national 'investment' budget for rogaining (see later item).

Annual forum at Nat Champs
This did not happen in 2010 and is not provided for in 2011. Experience shows it's hard to focus on this in association with a major event. Reconsider options in the 'going national' context.

Association finances
Now that we have the potential cost liabilities of WRC 2010 behind us, we are beginning to focus on investing in rogaine development nationally

2. **Election of Officers**

Committee places filled were in excess of the three required in the Rules.
With no nominations exceeding places to be filled there was no voting.

Notes to appointments
*1. Secretary***:** Grant accepted this role conditional on a 'national communication coordinator' role being assigned to another committee member, in anticipation of a growing role in this – to be allocated next meeting .
2. Regional reps: Agreed to run with the existing set until we have considered a national approach to the NZRA functions. The exception was the appointment of Darren Ashmore (Taupo) on the recommendation of TF to capture youthful enthusiasm. (As agreed at the AGM 2008, regional reps continue to be full committee members.)
3 IRF reps: agreed on the need to clarify this role in terms of (1) numbers under the new constitution (IRF Constitution entitles each member association to select two delegates to the IRF Council. It may change its delegates at any time by notifying the IRF Council in writing. Sec.) and expectations of IRF of these delegates; and (2) delegate functions from NZRA perspective including report-back expectations.
4. Nat champs liaison: Agreed that we should allocate each year a committee member the role of National champs coordinator and go-to person. This to be added to the list of technical roles as above. In alternate years this will largely involve liaison with NZOF (on dates etc). Bill Kennedy is this person for 2011, largely confirming a role he is undertaking 'by default'.

3. **Financial report**

- Accounts presented for (1) NZRA overall (2) WRC2010 and Heights of Winter, to 30 December 2010. Year end situation for NZRA is ca. $65,000 of net liquid assets.
- Accounts for 2010 were accepted (BK/DL)

4. **Other business**

World Championship (WRC2010), 20/21 November)
A highly successful event in all respects – organisationally, competitively, community relations, and financial. Well done all.

Future WRC entry Criteria

- **Junior**. NZRA and NZOF have agreed on the U23 limit to define 'junior' in NZ, and here has been some discussion within IRF on the junior limits for WRC. NZRA wishes to advocate for adopting U23 for WRC events. We are unclear where this has got to?
- **General entry criteria.** Given that WRC2012 is getting close, we should keep NZers advised of entry criteria as they develop. Nick to advise Bill if criteria have changed since as described on: www.rogaine.org.nz/main/Resources/WRC_entry_criteria_for_2012_and_beyond.pdf. A summary set of implications for NZ aspirants, and possible 'selection panels', is also sought.

Action: Nick to update us on these on a rolling basis, Bill to update website as needed.

Sponsorship of a junior event
Further discussion of this item first raised at the GM 7 February 2011: Tim Farrant seeks agreement of NZRA to financially support the junior (secondary school) component of a 4-event short rogaine Saturday series he expects to plan in Canterbury in spring 2011. NZRA agreed to fully sponsor Navlight and map printing costs for school-aged teams (as opposed to 'junior' = U23?) only. Some unresolved discussion about also providing insurance cover – this needs further work as it could be messy having dual cover for a 'single' event (open and schools).

NZ National Champs
Nothing to add from the minutes of GM 7 February

Gear storage : We are accumulating a lot of gear in Christchurch that is having to be spread around various addresses and may need rationalising either with a master list or a central store, the latter of which may be expensive. Other options include divesting of bulky gear and hiring for each event (which we have been trying to minimize!).

Implementing national support (as per GM 7 February)
Agreed that we need to develop a budget framework and guidelines - an item for the next meeting.

Events coming up – Canterbury focus

Heights of Winter (PAPO)
Saturday series (Spring, Tim)
Port Hills 12 hour darkness (Douglas Woods/Nora Audra)
Office hours Nov/Dec (Grant)

Next meeting (TBC)
Monday 18 April (note Easter is the following weekend) – (items to include setting a national budget for investing in rogaining, event calendar)
National meeting - maybe July, Wellington (see Minutes GM 7 February)

Meeting ended.
