Notice of motion for NZRA AGM February 2014

National and Regional Framework for the future

The Major motion is this:

1. "That the NZRA reforms into regional entities (called Branches) and a core National body."

Subsequent motions for debate follow:

2. "The National body committee will consist of at least a member from each Branch, a President, Secretary, Treasurer, and a Web manager."
3. "Each Branch can have a loose structure, but will have an elected representative on the national committee, and a treasurer who will be responsible for managing the bank account and reporting the annual balance to the National body."

4. “Each Branch will have an independent bank account, with an initial funding contribution from the NZRA.”

5. “Branches will engage directly in local event promotion and organization. Participants in their events will be expected to join the national membership list for newsletters. Event entry fees are expected to include a nominal contribution to the Branch accounts.

6. “The National body will co-ordinate the national rogaining championships, develop rules, interact with the IRF, provide insurance cover for Branches, and meet the Incorporated Society obligations to provide annual accounts.”

7. “The National body will also manage the website, newsletter, membership list, and Facebook, and will manage Navlight.”

A note to the proposal:

It is recognized such transformation depends on people who can make it work being available. This framework seeks to keep things as simple as possible, while building greater clarity and separation between national and regional/local scale roles.

Proposed: Peter Squires
Seconded: Grant Hunter
