Minutes of 2015/16 Annual General Meeting
7 March 2016

Present: Trevor Merrifield, Douglas Woods, Emma de Lacey, Bill Kennedy, Wayne Millow, Tim Farrant, Grant Hunter, **Apologies:** Pete Squires, Jamie Stewart

1.Minutes of the 2015 AGM and matters arising
The minutes were adopted as a fair record of the meeting for last year. (TM/DW)

Matters arising:
Mapping system: Current needs being met by existing OCAD licenses. We have sufficient skilled operators to meet current mapping demands. Tim noted we may need to give basic map updating/editing skills to more course planners.

Federated Mt Clubs membership: Noted that FMC may take an initiative next year to build outreach with 'adventure mapping' activities (including but not confined to regaining), similar to the current initiative with canyoning.

2. Annual Reports
President: nil
IRF Rep: No major issues, just country event-based ones that do not impact directly on NZ
Financial: (viewable at www.rogaine.org.nz, news items)
Note the financial year runs January to December
Treasurer Trevor Merrifield talked to the accounts:

- Net liquid assets (bank acc.) $82,000, marginally above last year and the year before.
- Heights of Winter credited a $5210 surplus.
- Sponsorship of Navlight services to the Taranaki Secondary Schools rogaine has a paper value of $1400.
- We made a donation of $2000 to the Rural Support Trust (Nth Canty) to support social aspects of drought relief, recognising the support these farmers have given rogaining over 15 years.
- $1500 expenses incurred so far for preparation for the 2017 Australasian champs.
- Navlight levy credits were $4,180 versus expenses of $662.00. (Noted that Pete Squires may be continuing to personally fund substantial Navlight R&M and upgrades.)
- Insurance levies brought in $2,423.00, against a premium cost of $1207. (Levies will be less in 2016 which is not a H of W year)
- NZ Champs, 2014, Nevis Valley, Otago, incurred a loss of $1994.00.

4.General business

NZ reps to International Rogaine Federation
We've had 1 vacancy for over 1 year. Agreed that Emma will contact each of 3 possible reps. that committee members have identified as possible for the role. If more than two are interested we may need to vote (at wider committee level? – GH)

NZ 24 hour Championship events

- The 2016 'Stoneyard Staggers' was held in Otago, in great terrain, 27/28 Feb. 93 (38 teams) and 58 (20) contested the 24 hour championship and ancillary 7-hour respectively. Beyond thanking (in particular) Bob Cunninghame and Peter Squires for venue and logistics, and ensuring the course was in place, there was no further debriefing on the event, in their absence.
- The 2017 Australasian Champs, Southland is progressing OK as far as the meeting was aware, helped by the long lead-times demanded by our ARA neighbours. Course vetting has been completed. Bill/Wayne/Emma to be 'actively available' lead planner Pete Squires for entry, website etc. Douglas is also available to help, consistent with him still being able to compete.

NZRA Rules
Some updating needed to align with IRF rules. Bill to coordinate the review/update, engaging the committee as needed. Noted that the rules are by agreement with Orienteering NZ Rogaine Subcommittee.

Rogaine promotion/publicity
Noted there is scope to grow rogaining further, with more active promotion. Approved (GH/all in favour) Tim to spend up to $1500 to contract professional quality rogaining

photographs that would be freely accessible for bona-fide rogaining promotion via www.rogaine.org.nz.

Cloud data storage for NZRA material
Storage of documents data etc that are crucial for Association functioning tends to be ad hoc and largely managed by the individual responsible. Wayne and Douglas will look at provisioning cloud storage that can be shared across the organisation

Review national structure options for the Association and rogaining
This topic, which is subject to ongoing consideration (e.g. AGM minutes, 2015) was not addressed at this meeting, particularly as the committee had been fully focused on the NZ Champs . The secretary expressed hope that progress would be made this winter.

Meeting closed 9.45pm
