Minutes of the 2016 AGM and matters arising

The minutes were adopted as a fair record of the meeting for last year. [DW/EDL]

Matters arising:

- Cloud storage still needs arranging DW/WM to follow up.
- Rules have been updated and approved by ONZ.
- Review of the national structure will not be followed up in the near term, but remains an open item.

President's Annual Report

Peter Squires presented the report in absentia. Report accepted [WM/TM]

A discussion followed about running 24 hour events

We need a plan for NZ champs for the next few years up to world champs in NZ in 2022. We also need to plan ahead for shorter events, noting that shorter events are more popular than 24 hour events.

It is not necessary to hold a 24 hour event every year. There is potential to hold a summer 12 hour event instead of/as well as a 24 hour event.

An event planning sub-committee was started to plan future events (see below for members).

IRF Representatives' report

Emma de Lacey presented the IRF report. The report was accepted. [DW/WM]

Financial report

Trevor Merrifield presented the financial accounts for the calendar year 2016. The accounts were accepted for submission to DIA. [DW/GH]

The accounts cover the 2016 Stoneyard Staggers NZ champs, Charwell Challenge and preparation for the 2017 ARC champs as well as general expenditure.

Election of officers

Outgoing committee members

Peter Squires confirmed his intention to stand down as president and withdraw from the committee.

Bill Kennedy confirmed his intention to withdraw from the committee.

The committee wish to thank Pete and Bill for their many years of service to rogaining and the NZRA. Without their tireless efforts the sport would not be in the healthy state that it is in today.

Grant suggested that we need a scoring system somewhere between the fully automated Navlight system and the manual paper/clip cards. Committee to review options.

Alistair expressed concern that rogaines organised by all people (not just NZRA organised events) should meet certain standards, particularly regarding health and safety. Grant is preparing a discussion document with guidelines.
