Summary from Matt Bixley forthcoming. WRC 2020 was postponed due to COVID-19 restrictions. Rescheduled for August 2021 California USA. NZ plans to bid for 2024 WRC in 2021. A possible bid for Australasian champs in NZ in 2023 as a lead in to the WRC was also discussed.

Observed that Matt Bixley now president of IRF since the WRC in Spain July 2019.

*** Event committee update**

Locally. It has been calculated there were 37 events with results on NZRA website (up 1 event from last year). HOW this year is run by PAPO, with a rolling start to cover COVID-19 level 2 restrictions. Event has been shortened to 6h.

Internationally. Members have had quite a bit of success. Locals Tane and Tim did very well in WRC (2nd overall). Congratulations to them both. Number of teams represented was around 30 which was great to see. Current plans to make a bid for WRC 2024 next year. Naseby is on the cards as a possible location.

Navlight. We have 2 sets that have been reconditioned. Pete is in the process of making 1000 additional punches. Updates on software forthcoming. Punches need to be put on the charger every 2 months. Best when stored with charge. Investigation is needed to sort out insurance for this equipment. TF to supply correspondence with the insurer to DW for discussion with Peter Squires.

List of gear. List has been compiled. There 3 square metre tent that is never used. So unless someone wants it, otherwise it will be disposed of. Reminder: there are 4x Radio transmitters to use and 2x PLBs which expire next year.

New Zealand Rogaining Championships 2020. Proposal for Hamner for NZRC around Nov 2020.Hiring forestry camp. Colin and Douglas has already been doing quite a bit of field work Proposed that Nora and Wicked rogaines organise 2021 NZ rogaining champs, TBC.

Noted that Grant Hunter has offered to negotiate an updated PL contract on the NZRA's behalf if his services are required.

*** Other business**

Discussed that the NZRA shall invest in an audited safety plan to meet the requirements of the Department of Conservation (DoC).

Nora led the development of this plan on behalf of NZRA. This can be used by organisations around NZ to use for rogaine events. If the template is used then it will need to be signed off by a committee member. This should include an event specific checklist. Separate checklists can be created for kayaking and cycling.

Replacement flags are needed.

Moved that meeting is closed 9:15pm 4th June 2020 by TF, seconded by WM.
