New Zealand Rogaining Association AGM,
21 February 2008, 29a Hamilton Avenue, Christchurch

Present: Guy De Lacey, Trevor Merrifield, Bill Kennedy, Grant Hunter, Jac Woudberg (part meeting), Peter Squires, Phil Bones, Dave Laurie, Jamie Stewart

Apologies: Andy Buchanan, Emma De Lacey, Annie Sanderson, Mondo Kopua

Minutes of AGM 2007: accepted PB/PS

Matters arising
GST registration. Considered unlikely to be an issue for NZRA for 1 to 2 years, given the $40,000 limit.
Rules: see under General Business
World Rogaine Champs: Given that army land proposed for the event is no longer available, NZ is unlikely to host this event.
Navlight system: Now being managed by Jac Woudberg for the NZRA

Election of Officers

President: Peter Squires, BK/PB
Secretary: Grant Hunter, PS/BK
Treasurer: Trevor Merrifield, DL/PS
IRF Representative: Alan Holdaway, PS/GH
Committee: Phil Bones, Dave Laurie, Guy De Lacey, Bill Kennedy, Jac Woudberg, Emma De Lacey, Andy Buchanan,

Roles:
Webmaster and membership: Bill Kennedy;
Navlight: Jac Woudberg;
Gear controller and Assets: Dave Laurie

Note that Dave Laurie will talk to Tim Farrant about his possible future role in NZRA, given his youthfulness and engagement in event organization.

Regional representatives:

Auckland - Shaun Collins (Mark Copeland)
Hawke's Bay - defer 1 year pending growth in rogaining (Rec. Jamie Stewart)
Central NI - Lance Eccles (MC)
Taranaki - Annie Sanderson
Bay of Plenty - Mark Copeland
Wellington - Mike Sheridan
Marlborough - Alan Holdaway, Mondo Kopua
Christchurch - Peter Squires
Queenstown - Bruce McLeod
Otago - Bob Cunninghame

Given the overlap between co-opted committee members and regional representatives, it was decided to treat regional representatives as full committee members, and to dispense with co-opted committee membership for 2008 (PS/TM). This was taken as an interim solution for 2008, pending a review of the committee structure. Needs to be considered in this review include provision for a

committee of 'no less than 3' and provision for a national/regional spread of representation, given that the core committee, at least until now, has tended to be based in Christchurch.

Financial report

- Accounts for 2007 were accepted as presented PS/PB
- Agreed that DL will prepare an asset register that covers all significant assets (e.g., software, flags, signs, trophies) and estimate current values. These to be depreciated from next year (see also item under general business).

General business

Assets

- Manual punches and 'ear tags' will be retained for back-up use, small events etc.
- DL with advice from JW to purchase a set of poles for the Start/Finish banner.
- Agreed that NZRA may purchase a laptop to be dedicated to Navlight if Jac (Navlight Manager) sees this as beneficial and efficient. This was seen to be used in Canterbury, and possibly only for NZRA events, not shipped nationally with Navlight. $1000 an indicative purchase cost. DL/JW to handle.
- Annual trophies recall. Trophies are to be tracked on the asset register by DL. Trevor Merrifield will use this register to recall trophies for the next events.

Rogaining rules for New Zealand

The meeting moved to adopt the ARA rules, with minor modifications recommended by AB/BK (four small changes under 'technical standards'), and to then consult with NZOF to adopt a mutually agreed set of rules for New Zealand, BK/PS. (BK/AB to consult with Michael Wood, NZOF).

Notes:

(1) These rules are for national championship events only. They may be modified for local and other events.

(2) Michael Wood, Convenor, NZOF Rogaine Committee Secretary NZRA, offered this message in time for this AGM: "Glad to see you've given some thought to rules for rogaining in NZ. You might recall that some years ago we (NZOF Rogaine Committee) sought NZRA comment on some, I think based on the Aussie rules of the day. Didn't get any reply then and it went on the back burner with us. I look forward to your proposal so that NZRA and NZOF can formally agree."

Public Liability Insurance

Consultation with the insurer (GH) confirms that the policy covers those events organised by NZRA members but operating largely independently of the Association. GH will work with DL and JW to finalise a standard form that enable NZRA to 'accept' (not 'approve') events to offer insurance cover.

The standard form will also state that NZRA will not be responsible for any cost liability of such events, unless explicitly agreed beforehand (e.g., promotional events)

Web-based event entries

Ongoing thought is going into enabling web-based entry. The major concern is handling fees by an association that requires two signatures for bank account transactions. DL to follow up options with the bank. The aim is to implement a secure and practical solution for Heights of Winter.

Future events

- NZ Championship, April 2009. Need to arrange a South Island venue. (Options include Hokonui and other Southland sites suggested for the World Event 2010 (bussing from Dunedin?), Oamaru area, and North Canterbury. Also to confirm a date around the full moon for early April.
- Bob Cunninghame will try to set up an event in Otago for about September.
- Bruce Meder aims to run the Wairewa event (Little River, Canterbury) in spring
- Office hours, late November/early December.

These plus existing planned events make a fairly full programme.
