NZRA Newsletter − April 2006

NEXT EVENT

Taylors Mistake Rogaine Series
Thursdays: 27th April, 4th and 11th May; after-work 3hr (or 2hr option)

The first event of an after-work series organised by Madeventz (Jamie Stewart) will be run next Thursday, 27th April and then at weekly intervals. All events are in the Christchurch Port Hills and each will focus on a different part of the area bounded by Godley Head, Lyttleton and Sumner. This is a fascinating area with an interesting diversity of landforms, from native bush to rolling hill tops, rocky coast line and pleasant beaches.

The inaugural series last year was a great success with participants reporting a challenging, enjoyable experience. Jamie promises that this year will be even better so come along and give the series a whirl. Entries close the Monday before each event. Download an entry form and more information from the NZRA website www.rogaine.org.nz .

Finally, be kind to Jamie and don't leave your entry to the last minute. He gets worried that no one will turn out.

FUTURE EVENTS

The following events will be run in Canterbury, Marlborough, Wellington, and Auckland in the next couple of months. Access the details of each event via the website, www.rogaine.org.nz .

T'Walk 2006 (Canterbury) – 20th and 21st May

This will be the 40th T'walk (Twenty-four hour walk) organised by the University of Canterbury Tramping Club, the pioneer of long distance foot navigation events in NZ. T'walk differs from a rogaine in that teams follow fixed routes looping out for 5 to 8 hrs from the hash-house, but it is challenging, a lot of fun, and participants are well fed. The organisers report they have arranged a superb hash house and course located in a unique part of Canterbury where you will encounter numerous lakes, streams, rocks and patches of beech forest. An entry form and more detail are available at http://www.cutc.org.nz/twalk/ .

Wellington City Safari - Saturday 20th May

The City Safari allows you to use public transport, buses and trains instead of your legs to get partway to the checkpoints. This year the event starts at Frank Kitts Park on the Wellington waterfront. For more information see the event website www.citysafari.org.nz.

Marlborough Rogaine - Saturday 27th May

Organised by the Marlborough Orienteering Club, this rogaine will be a good warmup for the Heights of Winter. Event details will be available on the NZRA website shortly.

Heights of Winter (Canterbury) – Saturday 10th June

This is a 12 hour event (with a 6hr option too) to be held in North Canterbury. Planning is well under way and details and an entry form will be available on the NZRA website within the next few days.

Lactic Turkey Piha Rogaine (Auckland) – Saturday 10th June

See the Lactic Turkey Events website, http://www.lacticturkey.co.nz/ for more information and entry form. Entries close 5th June.

OTHER EVENTS

Australian Championships – Saturday 13th and Sunday 14th May

These are being organised by the Victorian Rogaining Association in an area 220km inland from Melbourne. Kiwis are particularly welcome to partake. If you are planning to travel to the World Champs in NSW in October the Australian champs would serve as a good introduction to Aussie terrain and conditions. Entries close Wednesday 3rd May so you will need to hurry if you plan to go. See http://vra.rogaine.asn.au/

7th World Championships in Australia – Friday 13th and Saturday 14th October

Open to all. You don't have to be an elite rogainer to enjoy the international atmosphere and challenge of a World Championship. And a World Championship won't be this close to home again for some time. Consult the WRC7 website http://www.rogaine2006.com.au/ for details**.**

With all these events coming up we hope to see you at one, or more, of them. They are an excellent way to keep the winter blues at bay.
