# New Zealand Rogaining Association (Inc.)

# Newsletter − April 2008

From now until mid-June there is a feast of Rogaines in various parts of NZ. Watch out for the following events coming soon. Consult the NZRA website http://www.rogaine.org.nz/ and Maptalk, http://www.maptalk.co.nz/events/default.cfm?t=Rogaine for more details and for further events.

**The Eco City Challenge (Waitakere City, Auckland) – Sunday 13th April**

This is a 4hr urban rogaine to show off the newly opened network of paths and walkways that have been created to join up the parks around Waitakere City. Organised by Lactic Turkey Events. For more details see http://www.lacticturkey.co.nz/EcoCityChallenge.htm . Hurry – entries close in the next couple of days.

**Alpine Mountain Marathon (Canterbury) – weekend 19th /20th April**

Be part of this inaugural event organised by the MADeventz team of Jamie Stewart, Emily Wall and Chris Forne. It is great to see our top athletes (Chris is the current World Rogaining Champion and Adventure Racing Champion and Jamie was 11th in the same World Rogaining Championships) providing events for us all to enjoy.

Competitors follow courses involving route choice and navigation taking approximately 6 hours to reach an overnight camp. There are two different courses for varying abilities, and competitors must carry their own light weight gear for the camp overnight. The event is modelled on the extremely popular UK Mountain Marathon. Competitors can socialise and enjoy comparing splits over dinner and in the morning head off for another 6 hours of fun. There will be a short prize giving at the finish on day two. For more information visit http://www.madeventz.co.nz/alpinemm where you will find an entry form. Entries close 11th April so don't delay.

**T'WALK 2008 (Canterbury) – weekend 17th/18th May**

Organised by the University of Canterbury Tramping Club, the pioneer of long distance foot navigation events in NZ, this is the 42nd annual T'WALK (24hr walk). Walking over some of Canterbury's finest terrain, and socialising in a superb hash house, will ensure that TWALK 2008 is a memorable experience. Located in a mysterious and scenic part of Canterbury, you will encounter rivers, streams, rocks, patches of forest and the occasional TWALK enthusiast.

After being dropped off by bus at a mystery location, your team must navigate its way to various checkpoints, eventually arriving at the Hash House. This is where food and meals are supplied (you can eat as much as you want) as well as being the base for an all night party. After a minimum of 30min here you may depart onto the next section. This continues for the full 24hrs, the aim being to find as many checkpoints as possible. As an incomparable test of your endurance, skills, navigation and ability to have fun, TWALK is an event not to be missed. For more details see the TWALK website, http://www.cutc.org.nz/twalk/ .

**Wellington City Safari – Sunday 18th May**

In Wellington, of course, the City Safari allows you to use Public Transport: buses and trains and maybe even a ferry! You can use your head instead of your legs to get partway to the checkpoints. There are 6hr and 3 hr options. For more information see the event website http://www.citysafari.org.nz .

**2008 New Zealand Championships (Taupo) – weekend 24th /25th May**

The 2008 championships are to be hosted jointly by the Rotorua and Taupo Orienteering clubs. The event will be held on the North Island Central Plateau near Taupo with Lance Eccles as planner and Mark Copeland as controller. In addition to the 24hr championship there is a 12hr event split into 2 x 6hr sections. For entry forms and further details visit http://www.rogaine.org.nz . Entries close 19th May. Contact is Lance Eccles at ecfam@xtra.co.nz or Ph 07 377 6161.

**Mainly Tramping Wanaka Rogaine – Saturday 31st May**

This event, on Queens Birthday weekend in the Cardrona Valley, is organised by Ed and Carol Stevens. There will be 12hr and 6hr options. This area evokes memories of the 1st New Zealand Rogaining Championships organised by Ken & Anitra Dowling in 1995. It is sure to be a great event. For more details and an entry form see the event website http://www.wanakahomestead.co.nz/page_147.html . Plan to spend Queens Birthday in the Wanaka area taking in the rogaine as one of your activities.

**Lactic Turkey Piha Rogaine (Auckland) – Saturday, 7th June**

This popular annual event is scheduled for Saturday 7th June. There are 6hr and 3hr options. See the event website http://www.lacticturkey.co.nz/ for more information and an entry form. Entries close 5th June.

**Heights of Winter (Canterbury) – Saturday 14th June**

This is a 12 hour event, with a 6hr option too, organised this year by NZRA and to be held in North Canterbury.

All of the organisation is well in train for a memorable Heights of Winter. Course planning is complete with the location of all checkpoints determined on terrain of rolling land and hills (up to about 400 m) with mostly clean open grassland, a little scattered scrub, and some native bush in the gullies. The Hash House promises to be very comfortable. Details and an entry form will be available on the NZRA website within the next week or so.

## Taylors Mistake Rogaine Series

The weekly series of 3hr afterwork rogaines organised by the MADeventz team of Jamie Stewart, Chris Forne and Emily Wall was again very successful and well received. There were 5 events with the middle one being planned by Tim Farrant and Georgia Whitla to earn a few pennies to put towards their World Rogaining Championship trip to Estonia. A handicap section was incorporated for the first time this year. This was designed to reward those teams whose navigation and fitness improved the most as the series progressed. For results and comments by the organisers see the event website at http://www.madeventz.co.nz/tmrogaine .

We hope to see you at a Rogaine soon.

Regards,
NZRA, 7th April 2008
