Volunteers for Office Hours Rogaine

Grant Hunter is organising another "Office Hours" (7hr) Rogaine in the Canterbury area for the 25th November. He would like some help, particularly on the day, and perhaps with the course.

Here is your chance to learn about organising a Rogaine, from an expert. It's a surprising amount of fun – ask any previous organiser. You meet great people and learn heaps about what happens behind the scenes at a Rogaine.

If you are even slightly interested, please contact Grant at g.hunter@clear.net.nz
or Ph. (03) 351 6369

Wairewa 6hr Rogaine – 23rd July

This was an event with a difference and attracted 150 participants. It was organised by Bruce Meder as a way to celebrate Maori Language Week. Based at the Wairewa Marae in Little River, Banks Peninsula it featured Maori words for checkpoint clues with bonus points for correct translation to English – E Whakahoki Ana Nga Kupu I Roto I Nga Puke – Putting the Words back in the Hills.

On a fine, frosty morning people were welcomed onto the marae in traditional Maori fashion followed by morning tea. Such a relaxed way to start a Rogaine could be trend setting! At the end of the event we were fed well by way of a hangi. Thanks to Bruce and everybody at the Marae for a very pleasant and enjoyable day. See the results, winner's course, stories and pictures on the NZRA website, http://www.rogaine.org.nz .

World Champs – 13th/14th October

NZ is well represented with, at the last count, 61 people in 30 teams – close to 10% of the teams. Other countries represented are Canada, Czech Republic, Estonia, Finland, Latvia, Russia, Sweden, The Netherlands, United Kingdom, Ukraine, USA, Japan and, of course, Australia.

WRC7 is based in the Warrumbungle National Park about 500km west of Sydney. The course setters report: "In New South Wales, the Warrumbungle Range is as far west as any mountains reach. From these mountains, the western plains seem to stretch to infinity, like a vast sea". Sounds like an interesting place. The Warrumbungle Range is well-known for its volcanic rock spires, pinnacles and dykes. At lower elevations, sandstone predominates, with typical weathered sandstone cliffs. Millions of years of weathering of this landscape have left the area with fine detail of spurs and gullies – a Rogainer's dream (or nightmare, depending on your point of view). And there is a diverse range of wildlife to keep participants entertained during the long night.

FUTURE EVENTS

CPIT Spring Madness – Saturday 7th October

"Spring Mystery Madness" organised by the students and staff of Christchurch Polytech is happening again. There will be 12hr, 6hr, 3hr, and family courses exploring a new area of the Christchurch Port Hills on a user friendly 1:25000 map. See further details on the CPIT Recreation website http://www.cpit.ac.nz/subjects/recreation/ , whence an entry form will be available soon.

Hot ROCS Rogaine – Saturday 7th October

This aptly named Rogaine in the Rotorua thermal area is organised by the Rotorua Orienteering Club. Entries close Monday 25th September. Details will be available on the ROC website, http://www.geocities.com/rotorua-oc/ . Contact is Lance Eccles, ecfam@xtra.co.nz.

Wellington Afterwork Series

Organised by Orienteering Hutt Valley in the Wellington region, this is a series of 3hr Rogaines at roughly fortnightly intervals culminating in a full fledged 12/6hr event on Sunday 5th November. See the NZOF Rogaine calendar, www.mapsport.co.nz/rog/rogevents.html for details.

Office Hours – Saturday 25th November

An event with a similar format to the Lake Lyndon/Korowai rogaine in 2003 but this time in the mid-Canterbury high country. Details will be available on the NZRA website closer to the event. Please email any offers of assistance with the organisation of the event to Grant Hunter, g.hunter@clear.net.nz.

New Zealand Championships – 3rd/4th March 2007

The 2007 championships will be held in Marlborough with Alan Holdaway as the chief organiser assisted by Mondo Kopua. Both Alan and Mondo are experienced rogainers who compete internationally, and they both have a history of organising rogaines. We are assured of a quality event. Take a look at the NZRA website http://www.rogaine.org.nz for initial information including some pictures

We hope to see you at one, or more, of these events.
