New Zealand Rogaining Association (Inc.)

Newsletter − January 2008

Welcome to a new year of serious rogaining. If initial indications are anything to go by there will be a great variety of Rogaines throughout New Zealand this year. The following are just some of the events happening soon or which are in the pipeline. Consult the NZRA website http://www.rogaine.org.nz/ and Maptalk, http://www.maptalk.co.nz/events/default.cfm?t=Rogaine for more details and for further events.

Eastbourne Rogaine (Wellington) – weekend 16th /17th February

In the wonderfully passable native forest of East Harbour Regional Park, there will be three courses – any 12 out of 18 hours, any 6 out of 18 hours, and a special 6 hour novice course for beginners. You choose the period within the 18hrs that you are out in the field and you can come back to base to log off the course as many times as you like. The course will be open from 5pm Saturday until 11am Sunday. To make decisions more interesting some controls will be worth double points during the night and others will be worth double in the last 2hrs. Electronic controls will be used. Entries close 1st February. For further information and an entry form see the event website http://www.mapsport.co.nz/hvoc/ebrog.html .

The Boohai Adventure Rogaine Weekend (Gisborne) – weekend 1st/2nd March

The Boohai is the latest innovative event from MADeventz and Jamie Stewart. The Boohai Adventure Rogaine Weekend is a 2 day rogaine: 8 hours on the Saturday, five hours on the Sunday, which will each year be held at a random, isolated North Island location. For the inaugual event we are heading to the East Coast north of Gisborne and the peaceful haven of Anaura Bay. Course design and maps will be of the highest standard, with the other focus being on creating a great social atmosphere at the overnight campsite. This is a one off opportunity to explore this great part of the country. For more information check out www.madeventz.co.nz/boohai

Cyclic Saga 2008 (Canterbury) – weekend 15th/16th March

This is a MTB Rogaine held over two days on a secret course in a new area every year. This year the course will be about 90-100mins travel time from Christchurch. A reasonable level of fitness is recommended but it is as hard or as easy as you want to make it. See www.cyclicsaga.co.nz for details. Contact is Rob or Jo at adventbrew@xtra.co.nz or Ph 027 441 6898.

Alpine Mountain Marathon (Canterbury) – weekend 19th /20th April

Somewhere in Canterbury and organised by Emily Wall, Chris Forne and Jamie Stewart. Competitors will follow fixed courses involving route choice and navigation taking approximately 6 hours to reach an overnight camp. There will be three different courses for varying abilities, and competitors must carry their own light weight gear for the camp overnight. We will be following the extremely popular UK Mountain Marathon format. Competitors can socialize and enjoy comparing splits over dinner and in the morning head off for another 6 hours of fun. There will be a short prize giving at the finish on day two. For more information visit: http://www.madeventz.co.nz/alpinemm (website still under construction; should be ready shortly).

2008 New Zealand Championships (Taupo) – weekend 24th /25th May

The 2008 championships will be held on the North Island Central Plateau near Taupo with Lance Eccles as planner and Mark Copeland as controller. For further information see the event website http://www.cdorienteering.co.nz/news.cfm?id=30 or download Newsletter #1 from http://www.rogaine.org.nz/main/Events/NZChamps2008_Update_1.pdf Entries close 10th May. Contact is Lance Eccles at ecfam@xtra.co.nz or Ph 07 377 6161.

Heights of Winter (Canterbury) – Saturday 14th June

This is a 12 hour event, with a 6hr option too, organised this year by NZRA and to be held in North Canterbury. Planning is under way and details and an entry form will be available on the NZRA website shortly.

Three Afterwork series

There are three series of afterwork events currently running, or planned, at different locations throughout the country. The duration of each event is normally 3 hours.

Wellington series – this series continues at roughly fortnightly intervals until 8th April.

Kiwi Outdoor series – a six event weekly series in New Plymouth beginning 30th January.

Taylors Mistake series – five events at weekly intervals beginning 5th March in Christchurch. See below for more details.

For dates and specific sites of the Wellington and New Plymouth events see http://www.maptalk.co.nz/events/default.cfm?t=Rogaine

The R&R Sport Taylors Mistake Rogaine Series

Jamie Stewart, Emily Wall, and Chris Forne are jointly organising 'The R&R Sport Taylors Mistake Rogaine Series'. The series in Christchurch starts on March 5th, will run every Wednesday for 5 weeks, and will be held from various points around the Port Hills including Taylors Mistake, Sign of the Bellbird, Castle Rock and Sugar Loaf. The events will be three hours long, and for series placings it will be the best of four events, and you must compete in the final event. For more information visit: http://www.madeventz.co.nz/tmrogaine

8th World Rogaining Championships - Estonia, 13th /14th September 2008

The current situation is that confirmed entrants plus those on the waiting list total 725. The nominal limit is 700 but this **may** be increased if the organisers and the National Park administration come to some arrangement. If you desperately wish to compete make sure your name is on the waiting list by 1st February so you can take advantage of an increase in numbers or withdrawals by those already entered. See the event website http://8wrc2008.rogain.ee/ for details.

Partner Needed

Gordon Smith has a team entry that has been accepted in the Vet. Mens section. Now all he needs is a partner. Gordon is a fit and competitive 52yr old with 4 years experience in rogaining and orienteering. He has competed in four 24hr events including NZ and Australian nationals plus many 12hr events. If you are interested in partnering him contact Gordon at ph. (03) 960 2791 or email gordon@talbot.co.nz.

NavLight: Electronic Rogaine Scoring System

With the increasing popularity of Rogaine type events the preference for an electronic scoring system has also increased. Organisers that intend to use this system should check well in advance of their event on the availability of the NavLight set in New Zealand. The NavLight set in NZ is administered and maintained by the NZRA. The basic chargeout rate is $5 per entrant for non-commercial events and $10 per entrant for commercial events. For further information contact Jac Woudberg at j.woudberg@elec.canterbury.ac.nz

Not all events planned or in the pipeline have been mentioned above. Consult the NZRA website, http://www.rogaine.org.nz/ , and http://www.maptalk.co.nz/events/default.cfm?t=Rogaine regularly for further events.

We hope to see you at a Rogaine soon.

Regards,
NZRA, 26th January 2008
