Mainland Great Outdoors Taylors Mistake Rogaine Series (Christchurch)
Thursdays – 9th June, 23rd June and 7th July, 6pm start

MADeventz (Mental Adventure Discovery – Jamie Stewart is involved) would like to announce a three event rogaine series to be held in the area around Taylors Mistake.

Results:

The following events have taken place recently:–

T'Walk (24hr walk) – 14th & 15th May.

About 260 brave souls rose to the challenge set by David Bones and his helpers. **The Flintstones**, overloaded with well-known names (Chris Forne, Julian Maclaren, Penny Kane, Jamie Stewart, Eloise Watson, Michael Smithson, Rachel Smith), easily won the event with 50 checkpoints. Second was **Bridgedale Socks** (Quenton Johnston, Murray Thomas, Sally Pearson, Tim Pearson) on 41 checkpoints.
See http://www.cutc.canterbury.ac.nz/twalk/, for full results.

Australian Rogaining Championships (Queensland) – 21st & 22nd May.

There were six Kiwi teams in the 24hr Championship event and another two teams in the 6hr event. All teams performed well. See the report by Pete Squires on the NZRA website. The results and a few pictures are accessible from there too.

The organisers were brave enough to use Pete's recently developed electronic scoring system which performed faultlessly. As they finished, teams received a print-out of their scores, checkpoints visited, and the time taken between checkpoints. The Aussies were impressed.

Marlborough B-Hynd Rogaine – Saturday 28th May.

Mondo reports that there was a fantastic turnout (90 people), superb weather, good competition, scenic and interesting terrain, and a great course planned by Jut Bishop and Lachy Hynd.

Dan Dollimore was a clear winner in the 6hr event on 1600 points. Second was Greg Thurlow with 1390 points and third went to Andrea Koorey & Andrew Dillon on 1340 pts.

Trevor James & Lindsay Voyce came home first in the 3 hour event with 700 points. Full results, pictures and planners' comments are on the NZRA website http://www.rogaine.org.nz .

Hoping to see you at a Rogaine before too long,
