NZRA Newsletter - March 2005

Events to be run shortly are:

Mt Vulcan 3hr Rogaine – Sunday 10th April.
A 3hr Rogaine in North Canterbury open, hill farmland with intricate spur-gullies, from sea level to 411m. Planner: Stuart Payne, Controller: Dave Laurie. Entries on the day. Details are on the NZRA website, http://www.rogaine.org.nz/**.**

T'Walk – 14th & 15th May.
This long-running 24hr event, in its 37th year, is organised by the University of Canterbury Tramping Club. The location is only revealed on the day but will most likely be in Canterbury foothills, although Banks Peninsula is a possibility. Consult the T'Walk website, http://www.cutc.canterbury.ac.nz/twalk/, for details.

Marlborough Rogaine – Saturday 28th May.
This rogaine with 3hr and 6hr options is organised annually by the Marlborough Orienteering Club. Course planners this year are Jut Bishop and Lachy Hynd. Mondo Kopua assures us that this will be a superb event taking full advantage of the vast range of terrain for rogaine courses in Marlborough.

The Australian Championships are on 21st May close to the Queensland/NSW border. See the Queensland Rogaining Association website, http://www.qldrogaine.asn.au/.

Other Rogaines coming up are:
Lactic Turkey Piha Rogaine, Saturday 11th June, Auckland
Heights of Winter, Saturday 18th June, Canterbury
Lactic Turkey Cascades Rogaine, Saturday 2nd July, Auckland

Be sure to regularly consult the Event Calendar at www.rogaine.org.nz for details and up-to-date information. Further events will be announced there as we get to know of them

The Nenthorn Nemesis – New Zealand Rogaining Championships

The annual New Zealand Championship 24hr event was run on the 26th and 27th February from the Lindores woolshed close to Middlemarch, Central Otago.

Bob Cunninghame produced a challenging course which was flatter than what we have to come to expect for a New Zealand event, but this was offset by significant navigational challenge due to the subtle contours – particularly at night. This did not slow the overall and MO winners, Chris Forne and Aaron Prince, who accumulated a score of 4250 from a possible 4450. In 2nd place was Martin Lukes, Angus Jennings and Keith Murray with a score of 3970, and 3rd place (and 1st MV) went to visitors from Australia, Ted van Geldermalsen and Derek Morris, with 3600 points.

The weather was very kind, warm and calm. Most people continued all night in their light daytime clothing. (This was in contrast to the chilly squalls that assaulted those collecting the flags the following day). Pete Squire's new electronic recording system worked smoothly and results were available, checked and printed within 15 minutes of the last competitor finishing.

The other main place-getters were:

Julian Maclaren, Emily Wall	1st XO	3140 pts
Andy Buchanan, Dave Laurie	1st MSV	3000 pts
Douglas Woods, Guy de Lacey, Emma de Lacey	1st XV	2810 pts
Trish Faulkner, Anne Kennedy, Joy Talbot	1st WO & WV	2470 pts

Complete results, winners' course, organiser's report, and reflections by Emma de Lacey are available on the website, www.rogaine.org.nz.

A 6hr non-championship event on Saturday afternoon attracted 60 participants who enjoyed their romp across the Otago countryside. Results are on the website.

Hoping to see you at a Rogaine before too long,

NZRA
