2. President's Annual Report
3. IRF Representatives' report
4. Event committee update
5. Financial report
6. Election of officers
7. Nomination of bank account signatories
8. Other business

Minutes of the 2017 AGM and matters arising

The minutes were adopted as a fair record of the meeting for last year. [Proposed TF/seconded DW]

Matters arising:

- A OneDrive account has been set up and some information has been loaded. A plan is needed to store all NZRA data there [Action: Colin].
- A laptop and two radios were purchased. The radios proved successful for course planning. Two more radios will be purchased [Action Doug].
- Navlight has been used by more events than previous years. There is no need to look for other options at this stage.

President's Annual Report

Tim Farrant presented the President's report. The report was accepted [DW/CD].

IRF Representatives' report

Matt Bixley presented the IRF update verbally. It was accepted (EdL/DW]

The IRF has shifted from annual to biannual world championships and will review the success of the switch over coming years. 2019 will be held in Spain, 2020 in USA. Thereafter biannual events will be held.

New Zealand has a priority bid for 2022. Refer to the Event Committee update below.

Drugs and sport. The IRF plans to develop a policy, Matt will be involved in discussions and will feedback to the NZRA committee. Based on feedback the NZRA will publish its position.

Event committee update

The event committee led discussions about upcoming events.

World championships

The IRF rotation policy for priority bids means that countries can bid for world champs for any year, but regions have priority for specific years. Australasia has priority for 2022. Australia have confirmed that they will support a bid from NZ for 2022.

A bid needs to be submitted to the IRF in early 2019 [Action: Matt to check due date].

Naseby is the prime location at the moment. We have good local contacts for land access, there are good local facilities and there is good accommodation and camping in middle of the course.

The proposed date is late Oct / early Nov (ie after lambing).

Matt is investigating options for producing a very high quality map.

24 hour national championships

Matt is organising the 2018 national championships to be held near Dunedin on 24/25 November. Matt has contacted local communities for catering and organisation as well as local rogainers for course planning and vetting. He will need help for Navlight [Doug], insurance [Jamie], trophies [Trevor], web site setup and entries [Wayne], marketing [Nora].

A 6 hour event will be held in conjunction with the 24 hour event.

Matt requested to run the event commercially, with the intent of using proceeds to attend the 2019 World Champs in Spain as a competitor and IRF rep. The committee agreed to this approach in principle. Matt will provide a budget for the committee to review and set relationship between the NZRA and Matt for this event. [Action: Matt to provide budget] [Action: committee to agree details of the relationship].

The event committee is discussing options for 24 hour championship events for future years, including with Highland Events (Central Otago) and Jamie Stewart (North Island).

Shorter events

The Canterbury region have been receiving many requests from local groups to hold events. Local events in the Canterbury region are full this year for help from NZRA. Four local groups have approached the NZRA to hold events next year. Doug is co-ordinating these groups.

Financial report

Trevor Merrifield presented the financial accounts for the calendar year 2017. The accounts were accepted for submission to DIA [TF/WM].

A question was posed: How is Navlight insured – is it covered by NZRA insurance? Doug to discuss status with Grant Hunter on status of insurance and Peter Squires for ownership. NZRA does not have an insurance policy for other assets. This should be reviewed. [Action: Doug]

Election of officers

Outgoing committee members

Grant Hunter has stepped down from the committee after many years of service. His resignation was accepted [TF/CD]. Due to his long service and key role in the NZRA, it was proposed that Grant be made a life member. The committee fully agreed [TF/MB].

Committee members confirmed for 2018-19

The existing committee members will continue their current positions and roles from last year.

Reuben Scott was added to committee and will have a role of student liaison with the aim of increasing the numbers of young rogainers [TF/DW]

Grant Hunter has indicated an interest in involvement with local community events outside the committee. Tim will discuss Grant's role with him. [Action Tim].

Nomination of bank account signatories

Grant Hunter will be removed from the bank account signatories. Other signatories will not be changed [CD/TF].

Other business

None.

Meeting closed: 20:50.
