The Roxburgh Ramble 24hr Rogaine, 15th – 16th March

The New Zealand Championship Roxburgh Rogaine was a great success. The 94-odd competitors handled the tricky night navigation pretty well, the mist stayed off the tops, the food was great, and the course was varied enough to cause a multitude of different route choices. Keith Murray and Aidan Craig were clear winners by the hefty margin of 560 points from Jim Cotter and Bas Smith.

The results are on the website www.rogaine.org.nz along with a good collection of photos, a map with the winner's route shown, and observations from the organiser, Pete Squires.

Annual General Meeting

At the AGM held on Friday 14th March the following officers were elected:

President: Peter Squires
Secretary: Tom Barnfield
Treasurer: Bruce Meder
Committee: Phil Bones, Chris Byrch, Andy Buchanan, Bill Kennedy, Dave Laurie
IRF Representative: Peter Squires

The accounts up to 28th Feb were presented. This appeared to show a very strong financial position; however the costs of the Roxburgh event (about $5500) have yet to be deducted, while most of the entry fees have been included in the accounts. The expected final balance will be around $1200.
