Newsletter No.2

30th October 2002

The Roxburgh Ramble

The ROXBURGH ROGAINE (24 hour event) is all go for 15th – 16th March 2003. See the website under event calendar for more information. This rogaine has been declared a New Zealand Championship but it will still be the usual good-fun, relaxing event for most of us. Note that there are a limited number of good campsites near the hash-house, so enter early.

VOLUNTEERS to help with the Roxburgh Rogaine are sought. Some jobs are small, some are big. Some jobs will still allow you to enter as a competitor. For details of what the jobs are, see website www.rogaine.org.nz under "Resources, Job list for Volunteers" and send an email to p.squires@xtra.co.nz if you would be willing to assist in any way.

Annual General Meeting

The association's first AGM was held on 9th October. Outcomes were:

Approval of our association as an Incorporated Society.

Election of officers: (Contact details are on the website under "Contacts".)

President: Pete Squires
Secretary: Tom Barnfield
Treasurer: Bruce Meder
Committee: Andy Buchanan, Dave Laurie, and Alan Stow.
Website and Membership list sub-committee: Bill Kennedy and Jude Elliot.

Since the AGM, the committee has co-opted three regional representatives onto the committee: Alan Holdaway, Annie Sanderson, and Bruce McLeod.

The following motions were passed:

"That rogaines organised by other organisations and supported by NZRA be subject to a charge of $2 per person for events 8 hours or longer, $1 for events 4 hours to 8 hours, and no charge for shorter events. The committee to have discretion to reduce this amount if an event is unprofitable."

"NZRA to affiliate to the International Rogaining Federation subject to agreement with the IRF on fee scale." (Proposed charge of 0.25c per member per event rather than 0.60c per member.)

The next AGM will be held on the Friday evening, 14th March, at the Roxburgh Rogaine hash-house. Agenda items will be emailed to you in February.

Queenstown Epic

Bruce McLeod reports:

"Well the Queenstown EPIC is all go. There are 31 teams (85 competitors), so is an average turnout, but not bad since University exams are in full swing.

The course is all set. I've had three fantastic days wandering (puffing) about the slopes of Coronet Peak and Mt Dewar. The start will be very scenic, high up at the base buildings of the Coronet Peak Ski Area. Much of the snow has melted from the ski slopes, but there's still plenty there to make the summit of Coronet a taxing workout!

Hopefully the weather won't be too rough… my drink system froze the other day on the summit ridge where I was amongst a stiff southerly with intermittent snow flurries. Not long after that I was stripped down to shorts and t-shirt again, so people will have to be prepared for everything.

Anyway, should be a fun event, lots of hills, but lots of views too!! Everyone should check out the E.P.I.C. Navigation Website at http://homepages.ihug.co.nz/~Sbmcleod for more information on E.P.I.C. events, Queenstown E.P.I.C. pre-event info and teams list, and results after Nov 2nd."

Hawkes Bay Rogaine

This event, organised by the Hawkes Bay Orienteering Club, is to be held on 7th December. There will be 12, 8 and 4-hour events. Entries close 4th December. Download an entry form from our website (under Event Calendar). Contact details (Pamela Morrison) are there too.

Cyclic Saga

Organised by Ground Effect, this 2-day mountain bike rogaine is planned for 8th – 9th March 2003. Duration is 7hrs on Saturday and 6hrs on Sunday. In a departure from past practice, we understand the event is not being held on Banks Peninsula this time even though the website says it is. See http://www.cyclicsaga.co.nz for more details and to request an entry form.
