(31/05/2016) - The New Zealand Rogaine Association seeks Expressions of Interest for Photography of Heights of Winter Rogaine

The New Zealand Rogaine Association (NZRA) seeks expressions of interest from photographers to produce high-quality media photo and/or video at this year's Heights of Winter Rogaine, to be held on Saturday, 25 June 2016 at Hakatere in mid-Canterbury, beyond Mt Somers.

It is intended that the photography will capture the true essence of rogaining, a sport of teamwork, planning, adventure and long distance cross-country navigation. Photographers must be comfortable and competent working in a back country outdoors context and be suitably equipped for a long day in the hills. Rogaine events are undertaken on foot in an open, hill country landscape during hours of daylight and darkness.

It is anticipated that the majority of the media will be captured on the event course between the hours of 9am and 9pm, however the planning phase (7am to 9am), and post-event social aspects (9pm to 10pm) will also need to be captured. On account of the remote nature of the event the photographer should have an accomplice at times spent on course.

It is the intention of the NZRA to use media generated to promote the sport of rogaining. Expressions of interest should acknowledge and accept the following intent:

- Ownership (copyright) of media generated (photo/video) will be held by the NZRA. It will be published on the NZRA website freely for interested parties to use;
- Users of the media must credit the NZRA with sponsorship of the photography, but permitted use the photos is unlimited (including commercial use);
- The media will be used by the NZRA to promote navigation sport via social media, the NZRA website and other publications (e.g. newspapers).

In the first instance, interested parties should contact the convenor, Tim Farrant via email rogainespecialist@gmail.com, or phone 0273213980.

The Expressions of Interest shall be to the attention of Tim Farrant and shall be submitted by either (i) e-mail addressed to rogainespecialist@gmail.com, or, (ii) postal mail or courier service addressed to 39 Landy Street, Dallington, Christchurch.

The Expressions of Interest shall consist of a closed single package, and shall contain:

1. Fixed fee estimate
2. References and/or recent project examples
3. List of key personnel and experience
4. Other attributes/resources (e.g. drone camera capacity)

The Deadline for the submission of Expressions of Interest is 12 June 2016. Expressions of Interest will be considered on price and non-price attributes.
