Orienteering Hutt Valley presents...

The Big Trig

30th Birthday 1991-2021

15 hours of Rogaine

Friday 10 to Sunday 12 December

Incorporating 15hr Adventure Race Sat 11th

In 1991 Orienteering Hutt Valley ran NZ's first rogaine. We worked up to 24hr rogaine classics, and we invented the popular 3hr afterwork format.

"The Big Trig" is our annual middle-sized rogaine. Big enough to challenge your endurance and navigation. Not so big as to wreck you for the week after.

To mark 30 years of rogaining in New Zealand, this year's Big Trig will consist of FIVE rogaines over a weekend. There's a 1hr, a 2hr and a 3hr, these are very much like the popular afterwork rogaines that are attracting huge numbers. There's a 4-hour that goes into the night. And a 5-hour which will exhaust any strength left in your muscles!

Do one, or do them all. Pick and choose; or rest and recharge. League table across all events. Special offering for adventure racers: string together the 3 Saturday rogaines with bike travel.

Schedule: Friday night 2hrs from 7pm. Saturday 1hr from 9am; 3hrs from noon; 4hrs from 7pm. Sunday 5hrs from 10am. Covid gathering levels may require variations. All rogaines close to Wellington or Lower Hutt

Online entries open soon, close 3 December. Full refunds if covid hits. More details at

ROGAINING: "a sport of long distance cross-country navigation", in which teams of two to five people visit as many checkpoints as they wish in a set time period. "Long" is anything up to 24hrs, but the skills can be practised over any period, such as one hour. Learn more at these rogaine pages: www.ohv.org.nz/rogaining/ (Wellington) or www.orienteering.org.nz/about-orienteering/rogaining/ (New Zealand)
