Annavale Attack & Amble: Results

The highest scoring team of Matt Scott & Michael Smithson failed to get only one control, number 82. Interestingly, this was the least popular control with only 11 teams visiting it. The most popular was, not surprisingly, #33, which was visited by 64 of the 84 teams. And never underestimate the lure of a 90-pointer: 51 teams went into the clouds to score this one.

Thanks to you all for taking part and supporting the Darfield HS's rural college. Thanks for support along the way from Bill Kennedy, Dave Laurie and Dave Armstrong. Thanks to Rex Smith and Maria Townsend from DHS for organising the prizes. Thanks to the generous sponsors and thanks most of all to Brian Groome, manager of Annavale Ltd.

THE RESULTS
Scores are net of time penalties. Where teams have the same score they are shown as equal unless a team was over time.
Oldest team was # 7 (Anne & Bill Kennedy) and the youngest competitors were two-thirds of # 29 (Ruby & Tessa Dixon).
